# PEACE & SECURITY

## WEAPONS FOR THE THIRD WORLD

*Finding alternatives to buying more*  
By Chris Smith

*Also in this issue:*

**Mary Lou Finlay**  
As El Salvador struggles through years of civil war the society is polarized and the economy grows poorer.

**Michael Tucker**  
In a little noticed event last fall, the nations of Europe agreed on ways to reduce the risk of war.

**Timothy J. Colton**  
Gorbachev's regime is altering the way professional Soviet-watchers in the West look at Russia and its capacity for change.

**Michael Howard**  
A pre-eminent military historian tackles peace movements and the meaning of peace.
