CANADA - U.S. RELATIONS

GOVERNMENT'S NEW ATTITUDE TOWARDS THE U.S.

EDITORIALS

La Presse Sept. 21/84

(By Frédéric Wagniere)

No one doubts that relations between Canada and the U.S. will improve under Prime Minister Mulroney. But Mulroney must continue to fight for things like Trudeau's peace initiative, a solution to the acid rain problem and especially an end to protectionism which the Americans might not like.
