

Japan Travel Phone is a nation-wide telephone service offering assistance and travel information in English. The service, available from 9:00 a.m. to 5:00 p.m. daily, is toll free outside Tokyo or Kyoto. When travelling outside either district, the user should dial 106 and ask the operator to place a collect call to "T.I.C." In Tokyo the number is 3502-1461, in Kyoto, 371-5649. Most major train stations have an English-language tourist information service, but French-language service is virtually non-existent.
