| 92843-3 Potassium cyanide.....  | Free                        | Free                        | Free           | Free                        | Free                        | Free                                       |
| 92843-4 Sodium cyanide.....   | Free                        | Free                        | Free           | Free                        | Free                        | Free                                       |
| 92843-5 Sodium ferricyanide.....  | Free                        | Free                        | Free           | Free                        | 12½ p.c.                    | 20 p.c.                                    |
| 92843-6 Sodium ferrocyanide.....  | Free                        | Free                        | Free           | Free                        | 12½ p.c.                    | 20 p.c.                                    |
| 92844-1 92844—Fulminates, cyanates and thiocyanates.....                          | 10 p.c.                     | 15 p.c.                     | 25 p.c.        | Free                        | 15 p.c.<br>Free             | 25 p.c.<br>10 p.c.<br>2½ cts.<br>per pound |
| 92845—Silicates; commercial sodium and potassium silicates:                       |                             |                             |                |                             |                             |  |
| 92845-1 Other than the following.....   | 10 p.c.                     | 15 p.c.                     | 25 p.c.        | Free                        | 15 p.c.<br>15 p.c.<br>Free  | 25 p.c.<br>25 p.c.<br>10 p.c.              |
| 92845-2 Calcium silicates.....  | Free                        | Free                        | Free           | Free                        | 15 p.c.                     | 25 p.c.                                    |
| 92845-3 Sodium silicates.....   | Free                        | 12½ p.c.                    | 20 p.c.        | Free                        | 12½ p.c.                    | 20 p.c.                                    |
| 92845-4 Zirconium silicate.....   | Free                        | Free                        | Free           | Free                        | Free                        | Free                                       |
| 92846—Borates and perborates:   |                             |                             |                |                             |                             |  |
| 92846-1 Other than the following.....   | 10 p.c.                     | 15 p.c.                     | 25 p.c.        | Free                        | 15 p.c.                     | 25 p.c.                                    |
| 92846-2 Sodium tetraborate.....   | Free                        | Free                        | Free           | Free                        | Free                        | Free                                       |
| 92847—Salts of metallic acids (for example, chromates, permanganates, stannates): |                             |                             |                |                             |                             |  |
| 92847-1 Other than the following.....   | 10 p.c.                     | 15 p.c.                     | 25 p.c.        | Free                        | 15 p.c.<br>Various          | 25 p.c.<br>Various                         |
| 92847-2 Sodium dichromate.....  | Free                        | 12½ p.c.                    | 25 p.c.        | Free                        | 12½ p.c.                    | 20 p.c.                                    |
| 92847-3 Sodium stannate.....  | Free                        | 12½ p.c.                    | 25 p.c.        | Free                        | 12½ p.c.                    | 20 p.c.                                    |
