

The Messages of the Bible

EDITED BY

Professor FRANK K. SANDERS, Ph.D., of Yale University, and
Professor CHARLES F. KENT, Ph.D., of Brown University.

This series is not a substitute for the Bible, but an aid to the reverent, appreciative, and enthusiastic reading of the Scriptures, in fact it will serve the purpose of an

ORIGINAL AND POPULAR COMMENTARY ON THE BIBLE.

The books of the Bible are grouped according to a natural classification, their contents arranged in the order of appearance and a scholarly yet popular paraphrase of their distinctive thought given in plain and expressive English. The purpose of the series is to enable any reader of the Bible to understand its meaning as a reverent scholar of to-day does, and in particular to receive the exact impression which the words as originally heard or read must have made upon those for whom they were delivered.

Technicalities and unsettled questions will be, as far as possible, ignored. Each volume will be prepared by a leading specialist and will contain such brief introductions as serve to put the reader into intelligent relation to the general theme treated. The editorial rearrangement of the order of the Biblical books or sections will represent the definite results of sober scholarship.
