**MAHER'S HORSE EXCHANGE.**  
Heavy consignments, amounting to two hundred and fifty horses, faced Auctioneers Jackson and Titch at the opening of the auction sale at Maher's yesterday. The stock covered all classes, and was of the best quality in each class. Bidding was very slow and draggy, the buyers having lost sight of the fact that horses have decreased in price more than any other article of a commercial value now offered to the public. This is explained by the fact that the western buyer does not now come to Toronto to buy, being able to go to the United States, buy and pay duty, and land them home much cheaper than if purchased here, going to show that horses have been far too high in price, resulting naturally in our loss of the great western market. While horses are cheaper by \$25 per head, the market is still in a panic condition, and horses must come from the breeder cheaper yet before anything like a healthy demand will be created. Some of the buyers at yesterday's sale were:

J. M. Weir, Malvern, Ont.; T. Cousins, Maple, Ont.; Geo. Robinson, Oshawa, Ont.; P. F. Thornehill, Ont.; H. McBride, Niagara Falls, Ont.; J. A. Jenkins, Kingston, Ont. (all cash); Wm. Harper, Hagerman, Ont.; Toronto Pressed Brick Co., Milton, Ont.; J. Grills, Marlboro, Ont.; A. R. & A. Woods, Davisville, Ont.; Jas. Williamson, Nestleton, Ont.; J. A. Hartman, Aurora, Ont., and N. H. McCurdy, Norwich, Ont.  
Some city buyers: F. A. Musgrave, S. Gordon, Wm. Harris, W. K. Colville, and Sons, Ltd., & Co., Geo. Webster, Rotstein Bros., J. A. Chantler, F. Baxter, T. A. Cook, Wm. Oiler, Hendrie & Co., Alex. ## SMITH & PROCTOR BUY 2-YEAR-OLD

Local Horsemen Now Own Pearl Thorne, a Trotting Filly.

The local horsemen, Messrs. Smith and Proctor, continue to add to their string of harness horses, and judging by their recent purchases, will soon have not only a choice collection of trotters and pacers, but also a big one.

Since the purchase of The Saxon, which was announced exclusively in The World last Friday, they bought the two-year-old bay trotting filly, Pearl Thorne, by Peter Leyburn, 2:28 1/4; Wilho Leyburn, by Wilton, 2:19 1/4; Critter, by Critterden. Peter Leyburn is by that great speed sire, Peter the Great, 2:07 1/4, and out of the producing mare, Scouring, 2:18 1/2 (dam of four), by Wilton, and is considered one of the coming sires of extreme speed.

Mr. Proctor, who was at the Madden farm, Hamburg Place, last week, was greatly impressed with Pearl Thorne and made an offer for her which was refused at the time. The Kentuckian since wired that he had decided to let the local horsemen have the filly, and would ship her along with The Saxon. The horses are due to arrive this morning, and after a rest of a day here, The Saxon, along with Grand Opera, Billy Sims and Lou McDonald of the Smith and Proctor string, Dr. Wilkes, 2:11 1/4 and the 3-year-old Kentucky Todd filly, owned by Truman Lowes, and two high-class heavy draught geldings, owned by Mark Gardhouse, will be shipped in a palace car by express to Calgary.

Pearl Thorne will not make the trip west, but will be sent to Dr. W. H. Riddell of Orangeville, for an educational course. This filly is reported to be a most promising trotter.

# A. Clubb & Sons Compelled to Move From 5 King St. West

**THIS MORNING AT EIGHT**  
o'clock we commence a clearance sale of the greater part of our stock at 5 King Street West. The news paragraph attached, taken from a recent issue of an evening newspaper, gives the reason for this sale. Our store has been sold and we must shortly vacate. While regretting our loss of this central business place, which has served thousands of customers for many years and earned the title of the busiest tobacco store in Canada, we bow to the inevitable, and take some pleasure and satisfaction in witnessing the development of Toronto, as shown in the splendid buildings to be erected in the Yonge and King Street district.

## From the Evening Telegram, March 13. NOTICE IS GIVEN TO VACATE

POINTS TO BIG KING ST. DEAL.

Rumor Again Revived That Dominion Bank Are Buying the Michie & Co. Property.

The fact that Messrs. A. Clubb & Sons, tobacco merchants, have been given notice to vacate their premises at No. 5 King Street West within six months points to a large real estate transaction involving in the neighborhood of \$400,000. Both No. 5 and No. 7 King Street West are owned by Messrs. Michie & Company, and the most likely purchasers of the property are the Dominion Bank, who, it is said, need the property to complete their plans for the new building they purpose erecting.

The property has a frontage of 37 feet, with a good depth, and on it is located a four-story brick building. Major Michie is out of town at present, and Mr. Charles Michie, who is asked concerning any deal for the purchase of the property, stated that he did not care to say anything whatever about the matter.

Land so close to Yonge on King today has a market value of from \$10,000 to \$15,000 a foot.

## \$50,000 Stock of Cigars, Cigarettes, Pipes, and Smokers' Sundries to be Sold at Once

We have decided to clear out an immense stock of Tobaccos, Cigars, Cigarettes, Pipes, Cigar Cases, Humidors, and Walking Sticks, and all kinds of Smokers' Sundries, rather than move it to our other stores, and hence have marked down prices so as to make it worth the while of every smoker to fill his wants NOW. We have never before held a cut-price sale of any kind, believing our goods to be worth every cent we ask, so that this sale is of more than ordinary importance. It would occupy too much space to enumerate the various reductions—simply let us inform you that stocks have been marked down, and it is worth your while to call today and make a note of these price reductions for your own guidance. YOU WILL FIND THE GREATEST BARGAINS YOU EVER SAW IN ANY TOBACCO STORE IN CANADA.

team, was in town yesterday and secured him. About 40 or 50 players turn out every year to try and make the team and the season opens about April 5 and closes about June 1. They play matches with the principal American colleges.  
A dispatch from Winnipeg says that the Allan Cup holders will not play in Toronto if they go east. They must have heard some new reports on the Allan Cup fixture and their hopes had vanished with them. Stay at home and save your laurels. The Allan Stars are just beginning to figure it out.  
New Edinburgh and the Stewarts of Ottawa are tired of playing in the Inter-

provincial and want to join the O.H.A. Some come down for the Bytown squad considering the remarks they used to make before this season opened.  
Another real sport in every sense of the word and their friend and gentleman has been taken from us in Chaucer Elliot. It is hard to find real ones now a days.
