

FIND TENSION EXISTS IN BRITISH CABINET

Times and Daily Mail Report Trouble Over Conscriptio and Balkans.

LONDON, Oct. 15, 2.28 a.m.—According to The Times and The Daily Mail tension exists in the British Cabinet over the questions of conscription, the Balkan situation and the Dardanelles expedition, while there is gossip over the continued absence of Sir Edward Carson, the attorney-general, from the cabinet meetings. He has not been present at any of the three meetings held this week. There is a feeling of dissatisfaction among the members of parliament at the inadequacy of the explanation of the Balkan situation given Thursday by Sir Edward Grey, the British foreign minister. At a recent session there are demands that the government give the House of Commons an opportunity to discuss the matter and also for the government to make a frank statement on it.

SCHOMBERG FALL FAIR DREW BIG ATTENDANCE

Numbers and Size and Quality of Entries Up to High Standard.

SCHOMBERG, Oct. 15.—Those who failed to take in the Schomberg Fair missed one of the best of the season. The attendance of 4000 is perhaps the largest in its history, with receipts back over half a century. The entries in all departments were equal or larger than any previous exhibition, and for quality much better. Large entries were made in the light and heavy classes for horses, and prominent horsemen such as T. W. Graham of Clarendon and M. Gardhouse of Weston, who were present, gave expression to their opinion that they were as fine a lot of horses as were exhibited at any fair this season. The show was also a good one, particularly in Durham, Holstein and Jersey classes, and in the poultry department the best exhibits, and had large entries in the several classes. This fair always has the reputation for a large entry and excellent work in the horse and poultry classes. A good pair of road horses owned by Ad. Penfield of Tottenham were awarded first honors with S. Hastings second. John Palmer, Richmond Hill, landed first in the 2-year-old class. R. Sinclair, Bradford, second. R. Patterson, Dunkerton, was the winner with his agricultural team. Some extra good heavy draft teams were shown with A. Cieslik, Bradford, first; I. A. Wray and H. Hastings, second and third. In the 2-year-old draft class E. Wray, Schomberg, was first, with W. J. Nees, Gormley, second. Draft broad mare—W. Ferris, Bradford. Single carriage—A. Adams, Lefroy; L. Devine, Weston; G. Legarth, Schomberg, in that order. Great interest was centered in the driving class for the fair season. The much-coveted prize, known as Eohard's special, a beautiful set of silverware, was awarded to Miss Myrtle M. Chish of Al-Baton. In the open class Miss Calhoun of Schomberg was the winner, with Miss McMain second. Judging all thru was very satisfactorily done. A. Albert, and H. A. Dolson, Cheltenham, in light horse, and John Bay, Weston, and A. S. Russell, Centerville, in heavy class and provided some good racing. Open trot or pace—1, Furiosa; 2, Gordon Prince; 3, Decatur; 4, Major Day; 5, Tod; 6, Brown Friar; 5, Sunny Jim. The Aurora Band supplied the music during the afternoon.

FARM HAND INJURED WORKING HAY TEDDER

White Ernest Walker, an employe of Henry Hoover, a farmer living near Stouffville, was operating a hay tedder yesterday, he was thrown under the teeth of the machine and dragged a considerable distance, the horses running across the hay and trampled him, leaving him himself. His escape from death is regarded as miraculous. Beyond being badly bruised, Walker's injuries are not considered dangerous.

CHRISTOPHER HULL MARKHAM PIONEER

The death of Christopher Hull Chant of Unionville, a pioneer of Markham Township, aged 81, took place at the family residence in Unionville, Ontario, Monday, Oct. 12. He was a native of Somerset, England, but came in his youth to Canada, residing in Markham Township. He was a cabinet maker in Hagerman's Corners, later removing to Unionville. For more than thirty years he was actively identified with the local Methodist Church as superintendent of the Sabbath school and other positions of trust. He was prominent in every forward movement in the community and was greatly esteemed. He is survived by a widow, two daughters (Mrs. George Ross of Markham, and Miss Millicent at home). The sons are Herman of Clinton, Ont.; J. C. Chant of Blackwater, and Prof. C. A. Chant of Toronto University.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is Sign You Have Been Eating Too Much Meat. When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your druggist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for the next three days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It insures perfect health and makes a delightful, effervescent lithia-water drink.

PETER DRAKE REMANDED IN THE COUNTY COURT

Charged With Being Implicated in Pocke Picking at Woodbridge Fair.

Peter Drake, alias Mitchell Badgely, was before Police Magistrate Brunton in the county police court yesterday afternoon on the charge of being implicated in pocket picking, which took place at Woodbridge Fair on Thanksgiving. Drake has an unsavory reputation in Montreal, any previous exhibition, and for quality much better. Large entries were made in the light and heavy classes for horses, and prominent horsemen such as T. W. Graham of Clarendon and M. Gardhouse of Weston, who were present, gave expression to their opinion that they were as fine a lot of horses as were exhibited at any fair this season. The British Red Cross Funds Are Running Low!

England Has Appealed to All the Empire to Help!

Toronto Responds With a Whirlwind Campaign of Three Days

Tuesday, Wednesday, Thursday Next October 19th, 20th, 21st

FOR the first time in history England has asked our direct help, and MUST HAVE IT—quickly. Toronto is after

\$250,000 as her share of Ontario's contribution.

Will she get it? She will—but to get it she must have the generous, whole-hearted response of every man and woman. Why—you ask—is this an extraordinary appeal? The strain on the British Red Cross resources is almost past belief, it is paralleled by nothing in the history of the world. The service of the British Red Cross embraces not alone the English forces, but Canadian, as well as special aid to the Belgians and Servians. Enormous extra demands are being made by the Dardanelles and Balkan campaigns. Shall the noble work of the British Red Cross be crippled for lack of funds? Shall the heroes fighting our fight, dragged from the trenches bleeding and maimed, tortured by poison gas, and torn by explosive shell, find the hand of mercy stayed because we at home have not answered this urgent appeal for money. True, we have all done much, but much more needs to be done. England turns to her Empire as a mother turns to her children in time of crisis—proud and confident of what the answer will be.

"England Expects"

and Toronto—big-hearted and loyal Toronto—with her own sons in the trenches fighting this fight for God, right and humanity—Toronto only needs to know the Mother Country's crying need to respond magnificently. Headquarters for this campaign are established at the McConkey Building, 27 King Street West. Twenty-five teams of prominent citizens will canvass the city for funds. Cash contributions, not pledges, must be taken, as money is needed for immediate use. Leave your contribution at headquarters or give it to the men who call upon you, but give it—give liberally; remember what the Red Cross is to the battlefront. Remember that every dollar means a dollar's worth of hope of relief, yes, of life to the men fighting for the glory of the British Empire.

"England Expects" What will Toronto's answer be?
