Socialism and the Ethics of Jesus

By HENRY C. VEDDER

Cloth, 12mo, \$1.50 net; by mail, \$1.63

This work gives a brief history of Socialistic principles and parties in modern times and examines with great thoroughness the foundations on which these principles rest. The author inquires in what respects these principles correspond to the ethics of Jesus, and wherein the two differ. This consideration of the points of similarity and of difference between the ethics of Jesus and the Socialism of to-day is not the work of the champion of any social theory but of an impartial and candid student of history, religion, economics, and social institutions.
