EARLIER DUCK SHOOTING.

A recommendation that the open season for duck shooting commence on September 1, instead of September 15, as heretofore, was passed by the fish and game committee at the legislature yesterday. It was recommended, however, that the season should open on September 1, only in the territory lying north of the C.P.R. line from Montreal to Toronto to Guelph to Goderich.

Soccer Notes.

All members and players of Parkview F. C. are requested to attend meeting in club room Friday next, when important business relating to this season's team will be discussed. The new outfit is now on hand. Trainer Sherry wishes all the boys out to practice Saturday afternoon at 3 p.m. He is certainly putting them thru the mill, and they all seem to enjoy it. Games are being arranged for Good Friday, April 5, also Saturday, the 6th. Everything points to this being a Parkview summer season.

The Hamilton Labor Party F. C. desire games in Toronto Saturday, April 6 for senior and intermediate teams. Apply stating terms, Wm. Atkinson, 228 North East-avenue, Hamilton, secretary.

The Royal Hearts, intermediate champions of Toronto, would be very pleased to know if the Devonports Football Club intend holding the cup for all time. The Davenport soccer team won the championship of Toronto in the spring of 1911 and received the cup, but have not returned it, and the Royal Hearts, present champions, would be very pleased to hear from them.

The Hearts are going to go strong this season, but still have a few vacancies to fill, and would like to hear of a good full-back, a half-back and a couple of forwards. Any player wishing a place on the team will please communicate with J. Le Sueur, 72 Coxwell-avenue.

CONNAUGHT CUP FOR THE O.J.C.

Race for Canadian-Owned 3-Year-Olds and Up New Feature of Spring Meeting—List of Stakes.

Below will be found a list of stakes to be run at the coming spring meeting of the Ontario Jockey Club.

The Toronto Cup with the sum of $5000 added to a sweepstakes of $50 each from starters will prove, next to the King's Plate, the most valuable race of the year on the North American continent.

A new race among the feature events will be found in the Connaught Cup, a challenge cup, presented by Field Marshal His Royal Highness the Duke of Connaught, K.G., Governor-General of Canada, and Her Royal Highness the Duchess of Connaught, for three-year-olds and upward, the bona fide property of Canadian owners resident in Canada. The cup, which is a very beautiful specimen of the silversmith's art, has $1500 added by the club. The conditions of the race are such that will doubtless ensure a most excellent contest, and the race prove one of the best features of the meeting.

Increased values will be found in the William Hendrie Memorial Handicap, $1ow, added, for horses foaled in Canada; the Victoria Stakes, $1500 added, for two-year-olds; the Coronation Stakes, $200 added, for two-year-olds foaled in Canada and now that horses bred in the Province of Ontario are not debarred from winning as two-year-olds, the Coronation Stakes will prove a tempting plum indeed to owners of Canadian bred horses.

Both the Woodbine Steeplechase and the Street Railway Steeplechase, the feature events of the cross country races, each have the substantial sum of $1500 added. A foot note adds: A steeplechase will be run on each day of the meeting, $400 being given for cross country events. On the flat $300 and $700 handicaps, in addition to this list of stakes, $500 is the lofest value of any over-night event. Entrance money in all cases to the winner. Seven races daily.

The meeting will begin on Saturday, May 18, and continue to include Saturday, May 25.

BEACHES BASEBALL LEAGUE

History of Toronto Leading Senior Organization—Game Good Friday.

Altho the snow is not yet off the ground considerable activity has been noticed among the ball players and managers of the Beaches League. Arrangements are well under way for exhibition games for Good Friday morning, but nothing definite will be done until the cold weather breaks up. The league grounds in Kew Gardens are of a soil which dries up very quickly, and with a week's warm weather regular practices of the different teams will be held. This coming season will be the league's fourth year, and as each of the three preceding years has shown the patrons of this league that the officers and players are out to give them the best amateur baseball in Toronto this year should go down in history as one of the best. Several new faces will be seen on the different teams, which will greatly strengthen them, and also add more interest for the spectators. In giving a small history of this league it would be well to mention that this league started amongst the different beach clubs about 12 years ago, and then played its games at the top of Beech-avenue out on the commons. By hard and persistent work this league has grown from a junior organization till it is now the leading senior league of Toronto, having among its players most of the best in Toronto. Too much credit cannot be given to Mr. Thos. F. Hodgson, who for more than ten years has been the moving spirit behind the league and who has been president since its organization as the Beaches Senior League. At present three teams compose this league, and the secretary, Mr. A. Gore, 98 Maitland-street, would be glad to hear from any fast senior team wishing to play in this league. A regular meeting of the executive committee will be held this week, when the applications for the vacancy in the league and also the applications for umpire will be considered. The Beaches League will probably open the season about the first Saturday in May with two good games, and the officers would be pleased to see all the patrons back in their usual places and expect to have the patronage of all fans who delight in good clean sport.

Many Horses Change Hands At the Repository

Another very large spring sale was held at the Repository yesterday, when over two hundred and fifty horses went thru the auction, which lasted from eleven until after six o'clock in the presence of a big gathering of buyers. This sale will be continued to-day (Wednesday), again commencing at 10 o'clock, and these Wednesday sales will be held each week during the continuance of the rush season. Fresh shipments are being consigned specially for these extra sales.

The Victoria Harbor firm sold yesterday two carloads of their bush horses. These were for the most part an excellent lot of big draught horses, and in good condition after a hard winter's work. Of course they had been costly horses to the Victoria Harbor Co. in the fall, having averaged up to $200 per team, and the purchasers got values in horses that will do good work for them. The Knickerbocker Ice Co. bought a fine brown team for $450; Alex. Easton, Ayr, a black team for $405, and a brown gelding for $160; John Freeth, Hamilton; F. Young, Hagersville; John Walsh, Toronto; H. Kirby, Winnipeg; F. Chamberlain, Toronto; W. Hamilton, J. Helpert, Lindsay; I. Jacobson, Cobalt, and D. Tiverton, Humber Bay, bought the best of the remainder at prices from $240 to $285 per head.

Amongst the chief purchasers at the auction of the regular shippers' horses were O. Ricard, Montreal; P. Demers, Montreal; A. Decari, Montreal; W. A. Silverwood, Saskatoon; the City of Toronto, Dominion Transport Co., Canadian Express Co., A. Cohen, Winnipeg; Ontario Lime Association, the Robert Davies Co., who were all heavy buyers of the best class of horses; W. Eagleson, city; D. Duncan, Deer Park; G. Moore, Galt; the Ideal Bread Co., W. H. Alexander, A. Scott, St. George; W. Wiggins, Bellwoods-avenue; C. White, Lindsay; Bathurst Cartage and Storage Co., John Phillips, J. McPherson, S. Price, Hillsburg; Geo. Bean, West Toronto; J. Leonard, 393 Queen West; C. A. Ward, 200 College; C. R. Terry, Clarkson; C. A. Hill, city; John Fleming, 1207 Bloor; G. Cooper, Abel Boyd, John Woods, E. Price & Sons, F. Hillyer, all of Toronto; R. Flanagan, Huntsville; F. K. Bailey, E. Cameron, 144 Denison-avenue; D. Sullivan, Eastern-avenue; C. Wilson, Woodbine-avenue; J. Dart, Todmorden.

In spite of the undoubted fact that huge numbers of horses are changing hands at the Repository these days, it has got to be said that in a general way the horse business is not at its best, nor indeed is it very good.

Toronto Whist Club.

The open game of last week at the Toronto Whist Club was won by Ball and Beaton with plus 64 tricks. All whist players are invited to another compass game this evening at the club room, 84 East King-street. Play will begin at 8.30. The Ladies' Whist Club will be the guests of the Toronto Whist Club on Friday evening next.

Subscription for Ridpath.

OTTAWA, March 26.—A subscription has been started for Bruce Ridpath by hockey enthusiasts of this city, and has reached over $200 already. After the benefit game on Saturday night there was a great deal of dissatisfaction expressed at the small attendance and some of the friends of "Riddy" decided to open a subscription list for him. The list was opened this morning and ran up to over $200 within a short time.
