including all the newest designs fabrics. This stock embraces an especially rich collection of Ladies' Black Velvet and Silk Mantles and Coats; also a splendid range of Evening and Reception Cloaks and Wraps.

Millinery

The Season's Novelties in London, Astoria. Teutonic. Now on view. Our highly trained staff of artists in this department assure its patronesses, of style suitability and general satisfaction in filling orders.

Dress Fabrics

This autumn has brought out some exquisite Dress Novelties for Evening Wear, including modifications and elaborations of former season's favorites. We have these in such bewildering profusion of shade and fabric that any attempt to enumerate them is futile. Suffice it to say that it is in your own interest to look our stock over when purchasing.

MARRIAGES.

ELDER-ROSS—By Rev. Alex. Gilray, D.D., Miss A. Caroline (Carrie) Ross to Mr. George Elder of Toronto.

PAPE—DURKIN—On Wednesday morning, St. Basil's Church, by Rev. Father Kelly, Augustine Pape, son of James Pape, to Angela Durkin, youngest daughter of Mrs. John Durkin.

DEATHS.

Suit Materials

Just as in the lighter fabrics, we show a representative range, so in the more substantial Tailored Suit weaves we are showing everything lemanded by popular fancy. A notable item is a very beautiful line of Fancy Striped and Checked Broadcloths, which promise to be very successful.

If living out of town, write for samples. JOHN CATTO & SON

this year to apply their winter rates. For the first-class accommodation the rates on the express steamers of the Canadian lines are lower than the express steamers of the New York lines. This is worthy of note, as those who have traveled on Canadian steamers, especially the "Empresses" of the C. R. Company, have been unanimous their praise of same, and will no bubt take advantage of the extremethe year the scenic trip on the St. Lawrence River is unsurpassed for beauty. The Canadian route is be-coming more popular every day. There-

coming more popular every day. Therewas a time when the commercial traveler, whose business called him to European markets, thought that there was only one way to go, and that via New York, but he now prefers the Canadian route. No doubt the energetic movements of the C.P.R. are to a great extent responsible for this change, for instance, instead of having the trouble and annoyance entailed in the transfer, and passing of cused in the transfer, and passing of customs with his baggage, they have now arranged it so that a passenger booking by Canadian lines can have his baggage checked right from his residence to Liverpool. Special trains with every facility and comfort for the passenger are run in connection with their steamers, thus avoiding any unneces-sary loss of time. The public at large will be pleased to note the great im provement in the transportation faciliies between our own and the mother
