CRAND EXPOSITION OF

NEW FLOOR COVERINGS CARPETS, RUGS, LINOLEUMS.

The particulars that follow below mirror very completely the superb range of Carpets, Rugs, Linoleums and Floor Coverings generally that we show for the Spring season. Our supremacy in the carpet world is well known to shoppers, not alone in Toronto, but the Dominion over. We can make the proud claim that our goods are found in the best homes in the leading cities of the Dominion from the Atlantic to the Pacific. Ever aiming to excel ourselves each year we can easily claim to have done that the present season-especially in the goods now on exhibition on the First Floor-what we call the Carpet Floor. The assortment of floor coverings is so wide that we can hardly fail to please any taste, and we can please many tastes not otherwise pleased, because of the distinctive and exclusive character of our goods. Prices of themselves mean very little sometimes, but it can be said that with our immense buying facilities, quality for quality, no values just as good are to be found elsewhere. In the first time in about fifteen years some of the foremost carpet manufacturers have notified us of an advance of from twopence to sixpence per yard in the best goods. Fortunately we had our arrangements made earlier and our friends will not be asked to pay more than in former years for same quality.

Carpets

Our selections for this season are now complete, and comprise, as usual, the very latest designs and colorings in Axminsters, Wiltons and Brussels, with Borders and Stair to match. Many of the best patterns are also in stock in 4-4 goods for wider stairs and cor-
