government department, illustrative of num at the present time, while Gerthe growth of British street railways. many, in her turn, obtains admission Beween 1878 and March 31, 1909, the route length has increased from 269 four and five million dollars' worth to 2526 miles the capital expenditure to 2526 miles, the capital expenditure per annum. Under these circumstances from \$21,000,000 to \$355,000,000, the passengers carried from 146,000,000 to 2,660,- the writer's memory is correct, at 000,000, and the net receipts from \$1,150,- balance of trade was in favor of Ger-000 to upwards of \$22,000,000 annually. Of many, by about 13 million dollars (the the 298 undertakings, 176 belong to local German exports being about 17 million authorities, and 122 to companies. The four million dollars). net receipts of local authorities lowance made by private companies.

OUR DINKY LITTLE WAYS.

Once more the little villagers of Toronto are getting their way. The decision to leave St. Clair-avenue as it is, like a country lane, when it is destined to be one of the chief thorofares in a city of a million population, is incomprehensible to anyone not familiar with the workings of what a Toronto alderman calls his mind. If Mayor Geary will stand for this sort of thing and if the controllers will support it then the only hope for Toronto is to get a commission to gov-

WITH THE CHOIR TO CLEVELAND

Toronto people can never appreciate what the Mendelssohn Choir does for Toronto until they go with the choir on a visit to some American city. The growth of appreciation in Buffalo, for instance, not only of the Mendelssohn Choir, but they admiration for it for Choir, but thru admiration for it for all connected with it and for Canadians generally is very remarkable. One gentleman confessed that he had always been disposd to rgard Canadians as sleepy, unprogressive people, much behind the times, and of no particular use to humanity. He has entirely revised his opinion since realizing that Toronto has produced under Dr. Vogt the greatest choir in the world Toronto people do not as a whole appreciate the distinction their city

enjoys thru the Mendelssohn Choir in New York, Chicago, Buffalo, Cleveland and other places. Otherwise no Toronto man could ever be guilty of a disparaging remark concerning This reflection must be a source of gratification and satisfaction to the to time made it possible for members of the choir to absent themselves from business, often at great inconvenience to their firms, while fulfilling this patriotic and artistic duty. employer could ever grudge the time required if he heard the opinions of American merchants and business men on this matter. It is regarded as a

ly creditable to Toronto and those Another thing that appeals to Americans is the voluntary character of

that no commercial element enters into it. For many people it is a reve not done for money but for love. This fact is brought home by the success of the Mendelssohn Choir, which is admittedly due to its voluntary character. The singers give their un-stinted labor for the love of the work. No such transcendently beautiful re-sults could be obtained on a basis of hire and cash payment. It is the un soul that makes Dr. Vogt's choir the Dr. Vogt says it is the result of espr de corps, discipline, and the sense of duty, but these are transfigured and welded by love. That is the overtone

However it be explained the fact remains that Dr. Vogt and his choir are the greatest missionaries of the Canadian idea that have yet appeared to bear abroad a high conception of the national spirit.

the Cleveland people have been trained, and the Mendelssohn Choir was the more complimented by a reception where such a standard indicated a real and cultivated appreciation

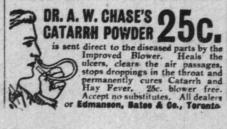

Another element which has done nuch for the growth of musical taste n Cleveland is Mrs. Felix Hughes, Shaksperian revival events. All this much more than is usually and in Cleveland the hall available for large concerts has not a seating capacity which makes sufficient return in receipts to cover expenses. The Mendelssohn Choir engagement, for example, which was made possible by sharing the railway expenses with Buffalo, cost about \$7500, while the receipts for the two concerts came to \$5400. The difference has to be made up by the guarantors, who generously undertake to make up any deficit, their confidence in Mrs. Hughes' judgment and good taste being warranted by the success of the concerts in It is felt that the public spirit which supports the engagement of such a body as the Mendelssohn her undertakings.
