The Deputy Minister  
Department of Indian Affairs,  
Ottawa, Ont.

Sir:--

We recently wrote the railway commissioner,  
objecting to private crossing signs being  
erected by the C. N. R. on their spore line, from  
First to Seventh Sts.

We have a copy of the letter written to the  
Commissioner, saying that the matter is under con-  
sideration by your department.

All maps and plans that we have seen do not  
show that the C. N. R. right-of-way, occupying the  
streets crossing, of which they have taken possession.

Kindly give this matter your attention.

I have the honor to be Sir

Your obedient servant,

Per *W. J. Keenan*
