BLAZE IN PRINCE WILLIAM STREET

Fire in Stockton and Price's Office Last Night --- Started From Register Grate.

The Stockton building on Prince William street was discovered on fire last night shortly after 8 o'clock and about \$1,000 in damages resulted.

The fire was first discovered by Milton Price, of the firm of Stockton & Price, who upon opening the office found that the fire had originated from the register grate and was eating its way down into D. C. Clinch's office. An alarm was rung in from Box 26, but 25 sounded and a considerable delay was occasioned thereby.

The firemen had to tear away considerable of the ceilings in D. C. Clinch's and R. W. W. Frink's offices to get at the seat of trouble.

R. W. W. Frink's omees to get at the seat of trouble.

The building is owned by Hon. Josiah Wood, of Sackville, N. B., and is insured with A. C. Fairweather for \$3,000. Messrs. Stockton & Price have \$1,000 with the Royal Company on their books and papers and Mr. Frink carries \$800 on his office fittings with the Atlas Co.
