FIRE ALARM BOXES
A correspondent writes that some of the old type of fire alarm boxes, for which the key is left in a neighboring house instead of being attached to the box, still are in use around the city. He says that the key for a box in Rockland road has been left in a house which is unoccupied during the summer, as the family is away in the country. He urges that all obsolete fire boxes throughout the city be replaced.

George T. Power of New York, arrived in the city today at noon and will leave again this afternoon for his summer home at Black River. Mr. Power is one of St. John's most successful business men, who has done well in the republic to the south. He left St. John at the early age of fifteen and since then has been gradually working his way to the top of the ladder in the commercial world. Today Mr. Power is one of the principal commercial travelers for the Scovil Manufacturing Company of America, covering a very extensive field in the United States and Canada. He has many relatives and friends in St. John and vicinity. Mrs. Power accompanied him.

NO RECRUITS BUT MANY ELIGIBLES
During the celebration of July 12th in St. George yesterday, a rousing appeal for recruits for overseas service was made by Lieut.-Col. P. A. Guthrie, M. P. O. C. 286 Battalion, Captain G. F. Sanford of the 115th Battalion and Captain Ryder, and his son, the latter a returned non-commissioned officer from the front and others. Speaking to the Times this morning one of the officers said that there were over three hundred young men present.

After the address a personal canvass was made and in pile of all those who were not a recruit was received. The chief excuse, he said, given by the young men was that they would be ready to go when they had to, and there were others who should go before them. They appeared to hold the same views as the Academic audiences recently addressed by clergymen and recruiting officers at Tracadie, St. Isadore, and Inkerman, where only one recruit was received at the three meetings.

"I'll go when the other fellow goes," "I don't have to fight for Britain," "Go away, don't talk to me." These were some of the answers that were received by some of Lt. Colonel Guthrie's recruiting men while making a personal canvass at St. George yesterday. Lt. Colonel Guthrie reports that there were 4,000 people in attendance and July 609 of them were young men who were eligible to take up the gun and do his bit.

SENT UP FOR TRIAL
The Hampton and Norton Consolidated School District, No. 2, held its annual meeting in the Assembly hall of the Hampton Consolidated School at 10 a. m. on July 10. Geo. H. Barnes was appointed chairman of the meeting and P. W. F. Brewster secretary.

The school board presented a report for the year just ended, giving a detailed statement of the money received and expended.

Herbert Ryder was elected trustee in the place of George Stratton, who has served the board faithfully for six years. Mr. Stratton declined re-nomination, saying that he wished to see a rate-payer, who had children to send to school, representing the district.

The estimates for the ensuing year, amounting to \$4,500, were passed. The amount required this year was much larger than usual, owing to necessary repairs and insurance premiums which will fall due in September.

HAMPTON AND NORTON CONSOLIDATED SCHOOL

Quick work marked the preliminary hearing of P. H. H. in the preliminary trial for a serious offence. This morning early he was brought before the magistrate and the local authorities had the case all made out.

Witnesses present. Upon the evidence submitted he was sent up for trial before the higher court. The complainant in the case was a girl under fourteen years.

In the police court this morning four prisoners were fined \$8 or the alternative—two months in jail—for drunkenness.

James Ramsey and Daniel Walsh were before the court for alleged fighting together in Haymarket Square last evening. Ramsey, when asked to plead, replied, "guilty, but in self defence." The magistrate was inclined to take a lenient view of the affair and fined the defendants \$8 each.

QUEEN MOTHER SENT ROSES TO NURSES AT WAR POSTS IN FRANCE

Miss McKiel Writes Home of Thoughtful Act and of Extension of Red Cross Work

Miss Theodora R. McKiel, nursing sister in France has written a very interesting letter dated June 24th to relatives in Fairville. Among the items are the following which shows the kind of thoughtfulness of royalty towards the nursing sisters on active service. Miss McKiel writes:—"Today we are all decorated, each nursing sister wearing a pink rose for Queen Alexandra. Yesterday was Rose Day in England, the same as Flag Day at home, and so the dear queen mother sent a pink rose to every nursing sister in France and today we are wearing them in her honor."

Further on, Miss McKiel states:—"The Canadian Red Cross have erected a recreation hut for the up-patients, (convalescents), and orderlies. This is splendidly fitted up with piano and phonograph, reading and writing materials, etc., and was very much needed as the orderlies in particular. This is but a glimpse of what the Canadian Red Cross is doing near the battle line and friends of the association here will be pleased to hear of this further extension of the work."

As to the first part of Miss McKiel's letter, mentioning Queen Alexandra's gift of roses, the sentiment involved is so choice and thoughtful that publication is almost a duty.

SERG. FRED. HYATT PRAISES COMRADES

St. John Lodge of Moose, at an unusually large meeting of members last evening, decided to hold a garden party or other form of outing at a date and place to be named by a large committee appointed to conduct the affair. Sergt. Fred Hyatt, who was present, gave an interesting talk of his experience in France and in English hospitals. He said that too much could not be said in praise of the care given to our soldiers in the hospitals. At the front the thing that impressed him most was the amazing light-heartedness with which the Canadians set out for their turn in the trenches. They carried their load jauntily and went forward with a joke and a cheery word, though they knew all of them would probably not return as they went. Some of those with whom he went to the front have fallen and some are wounded, but not one of them failed to do his duty.

SENDS HOME CIGARETTE CASE TAKEN FROM DEAD GERMAN ON BATTLEFIELD

Mrs. Robert Tennant of 294 Brussels street has received a letter from her son, Gunner Frank Tennant, formerly of "The Fighting 29th," but now with an artillery brigade, in which he says he is enjoying the best of health. He sends to his mother a cigarette case which was taken from a dead German. Enclosed in the case was a piece of French money which his mother prizes very highly.

Another son, Harry, who had been wounded, is regaining his health and expects soon to take his place again in the trenches. Gunner Tennant wishes to be remembered to all his friends in St. John.
