

MARTELLOS APPEAL TO NATIONAL SECRETARY RE PLAY-OFF

ASK DR. LAMB TO ADJUDICATE IN CONTROVERSY

Martellos Will Not Play This Evening—Claim St. Roses Should Not Be In

IT WAS learned this morning that the management of the Martellos baseball team have appealed to Dr. A. S. Lamb, of Montreal, honorary secretary of the A. A. U. of C., in an effort to have the play-off for the city championship straightened out. The Martellos' management have taken the stand that the St. Roses, who team was leading the City and County League at the time of its disbandment, was not eligible to enter the play-off, and say that the latest rule book upholds them in this contention.

A telegram has been sent to Dr. Lamb, but efforts to get in touch with him have proved unavailing as yet. It is expected, however, that a ruling in the matter will be received from him in the near future. It is claimed by the Martellos that the least they were entitled to was a drawing as to the procedure in the play-off. It was definitely announced this morning by Archie MacVicar, secretary of the Martellos, that the team would not play this evening.

Bald Men Grow Hair

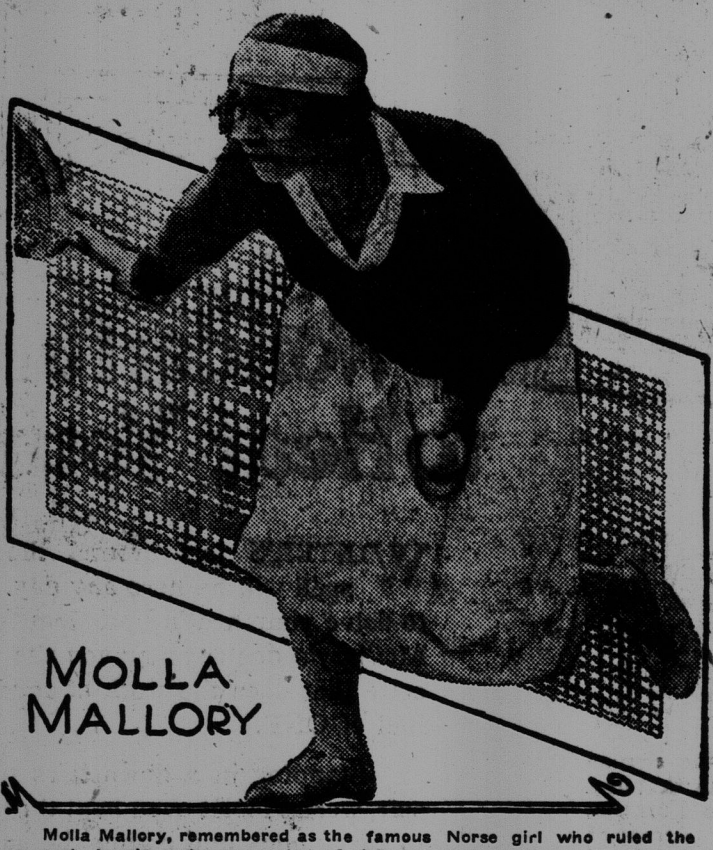

Surprising reports are coming from men who were bald or losing hair and who acquired a new, vigorous growth by using a hair compound that awakens life in dormant hair roots. "Four inches of hair have grown over what was a bald spot," is the report of R. W. Mitchell. "I had a large bald spot and real, healthy hair has developed all over my head," writes C. F. Heiler. "Imagine the enthusiasm of Albert H. Plary, when he reported: 'My head was as bare as the bottom of my foot and now I have a good growth of hair.'"

Geo. M. Schwartz reports that after using a second hair compound his compound hair stopped falling; then a new growth started.

Anyone who is losing hair, or is bald may obtain a free trial of this compound free of duty and postpaid, merely by writing to Kotoika Offices, B-188, Station 1, New York.

Paul Fraser Likely To Play Rugby Football In Montreal This Year

Hopes To Stage Comeback

Molla Mallory, remembered as the famous Norse girl who ruled the women's tennis sector seven out of eight campaigns, hopes to stage a real comeback at Forest Hills this season. While Molla isn't capable of the same she played a few years back, she can always be figured as a worthy contender.

McInerney and Porter Win Men's Doubles Tennis Title

Defeat Thomson and Drummie in Hard Fought Matches—Play-off With Nova Scotia Champions Tomorrow

FREDERICTON, Aug. 17.—The finals of the men's doubles, which were played here this afternoon, before the largest gallery this week, was productive of the most thrilling tennis yet seen in the provincial tournament. J. P. McInerney, of Renfrew, and J. E. Porter, of Anson, were crowned doubles champions for 1926 by virtue of their win over J. H. Thomson, of Rothesay, and J. H. Drummie, of Renfrew, in straight sets 6-2, 7-5, 6-1.

The score by no means indicates the play as every game was contested. The play was very hard fought, and the members of the committee, after dropping the first set, speeded up their game and by spectacular overhead and accurate lobbing were up 4-3 on their opponents in the second, the latter, however, by dint of clever placements and volleying evened the score and the set was a heavy weight on the shoulders of the Carleton club was extended by LeBaron Stubbs and G. E. Glass responded on behalf of St. Luke's.

The result of Saturday's games was as follows:

LADIES' SINGLES.
Miss G. Parkinson (St. L.) defeated Miss C. Howard (C) 5-7, 6-4, 7-5.

MIXED DOUBLES.
Miss M. Stubbs and M. Carleton (C) defeated Miss M. Seely and W. Beley (St. L.) 6-3, 6-2, 6-3.

MEN'S SINGLES.
J. G. Hart (C) defeated R. Morrell (St. L.) 6-3, 7-5, 6-3. G. E. Glass (St. L.) defeated S. Roseborough (C) 6-3, 6-4.

MEN'S DOUBLES.
M. Carleton and D. Bagnell (C) defeated P. Watham and H. McAlary (St. L.) 6-2, 6-3, 6-3. W. L. Wilson and H. Price (C) defeated W. Beley and H. Henley (St. L.) 6-2, 6-3, 6-3. G. Hart and S. Roseborough (C) defeated A. McAlary and G. E. Glass (St. L.) 6-3, 6-4.

How To Swim

By LILLIAN CANNON

THE CRAWL STROKE
The crawl, originally called the Australian crawl but since improved by Americans until its original form has almost been lost, is a stroke for speed swimming.

All racing swimmers use it and it has been proved by the fastest known. A number of teachers instruct beginners in the crawl, but I hold that it is so difficult of perfect co-ordination that a swimmer should be more or less expert in other stroke before he attempts the crawl.

The chief matter of interest to beginners is that the face is under water all the while except while breathing. It is this breathing business which makes the crawl difficult to teach beginners.

So the first instruction is to try the overarm stroke with the face under water and turn the head to inhale every four strokes of the hands.

Diamond Disputes Decided

PITCHER in act of delivering ball to batsman accidentally drops it on the ground. What is the ruling?

There are no runners on the bases at the time the dropping of the ball by the pitcher is construed as a balk. In such a situation all base-runners are entitled to advance one base. If there are no runners on at the time, no penalty is imposed if the pitcher drops the ball to the ground while in the act of delivering it to the batsman. It is merely treated as an accident.

Both major leagues are now a unit in this interpretation.

LOCAL OARSMEN ARE HOME FROM DIGBY

Express Thanks For Treatment—Hilton Belyea in Great Form

Hilton Belyea, Ronald Ingraham, and Grenville McCavour, amateur single scullers, who represented Saint John with success at the regatta held in Digby last Monday, arrived on the steamer Empress last evening with the excellent treatment they received from the committee, hotel proprietors and the other citizens of Digby while in that beautiful town.

Both major leagues are now a unit in this interpretation.

Mr. McCavour stated that there was nothing left undone to make the trip most enjoyable for those from Saint John. Grenville McCavour and Ronald Ingraham, the junior scullers, were lodged at the Travellers' Inn, while Hilton Belyea and Mr. McCavour were guests at Lour Lodge, conducted by Thomas McHugh and Thomas Mowry, two former Saint John men, and nothing was left undone to make the short visit of the rowers comfortable. Automobiles were placed at the service of the local rowers and on Sunday, the Saint John and Halifax oarsmen were taken on a sight seeing automobile trip.

Speaking of the races, Mr. McCavour said that Hilton Belyea, who appeared to be rowing in his old time usual form and had his race with O'Connell well in hand from start to finish, he was never in difficulty and finished a winner without any great exertion. Speaking about the race in which his son Grenville and Ronald Ingraham competed, Mr. McCavour said that Ingraham was a very powerful oarsman, and showed ability to become better in the future as he had no trouble to cross the finish line in first place, and also showed, with careful attention, Saint John has all the prospects of having another senior champion, he has a wonderful strong smooth stroke and plenty of endurance. Grenville McCavour rowed well but was not strong enough to win from Ingraham.

Mr. McCavour further stated that he had been very much pleased to be sent from Digby to the winners in the course of a few days.

HITS WIN GAME FOR WATERMEN

Defeat St. Johns by 6 to 5 in Well Played Exhibition Game

Circuit clouts collected by Sparks and Armstrong in the fifth and final stanza were responsible for the Water Department's 6 to 5 victory over the Saint Johns in an exhibition game played on the North End diamond last night. About 600 fans witnessed the contest.

A newcomer, Curran, hurled for the Saints and showed classy stuff. He confined the Watermen to six hits and had four strikeouts. The hitting of Gorman, Armstrong and Penny featured the struggle, while Sparks, covering first base territory for the Watermen, was an important factor in his team's win. Sparks scored three runs and was touched up for eight safeties, one of them a triple by Curran. The able Automobiles were placed at the outfields of both aggregations handled their chances nicely. NEW PRO. HOCKEY LEAGUE IS FORMED

Quebec, Boston, Springfield and Providence in With Others in Sight

BOSTON, Aug. 7.—The Canadian-American Hockey League, a new professional organization, was formed here today, with three United States clubs and one from Canada, as charter members. Boston, Springfield, Providence and Quebec are the cities reported.

Negotiations with representatives of a Montreal club were held over the telephone this afternoon and tonight, and it was announced that that city probably would join the new league soon. Ottawa and Newark also are expected to have franchises.

It was said that the new organization would work in harmony with the National Hockey League, the senior professional body of the east. Steps were taken to reach an agreement with the Canadian league and the Central United States Hockey League, covering championship play-offs and rights to the services of players.

PIRATES LEADING BY SINGLE GAME

Hitting of Southworth Has Been Big Help to St. Louis Cardinals

NEW YORK, Aug. 18.—Only one game today separates Pittsburgh from the leading St. Louis Cardinals in the National League, and Billy Southworth, pitcher for the Pirates, is the hero of the occasion.

The little left-handed thrower from Nebraska regarded as only a utility player in New York, has been made a regular outfielder by Rogers Hornsby and his slugging of home runs since joining the club, has proved a sensation.

Yesterday Southworth pounded out two home runs in his club's 8 to 6 victory over Brooklyn. His blow in the seventh with two on base, put the Cardinals in the lead to stay.

Cincinnati remains only half a game behind the Hornsby as the result of another brilliantly pitched game from the veteran underhand thrower, Carl Mays, who turned back the Philadelphia slugger 8 to 2, taking advantage of an early lead.

The Chicago Cubs won also, Guy Bush topping the Giants 7 to 0, while Hoyt was knocked from the mound and the Chicago White Sox beat the Yankees 5 to 3, in New York, but the New York team gain ground in the American League because Cleveland dropped two 9 to 4, and 4 to 4, to Philadelphia. This upspring placed the Athletics only a half game behind second place.

The Red Sox captured a double bill from the Browns 5 to 1, and 4 to 0.

WILL PROBABLY TURN OUT WITH M. A. A. TEAM

Said to be One of Best Three-Quarters Ever Seen in Metropolis

SPECIAL TO THE TIMES-STAR
FREDERICTON, Aug. 18.—The prospect is that Paul W. Fraser of Saint John, captain of the 1925 University of New Brunswick Rugby team which won the MacTier Cup and the Eastern Canadian title, will be with the Montreal A. A. Rugby squad in the autumn.

Fraser is at present in the service of the Foundation Company and only his transfer from Montreal will prevent him from playing.

The Montreal A. A. squad will be the Montreal English Rugby Club of 1925, which lost the MacTier Cup to U. N. B. at Montreal in November last, the strong Montreal athletic organization having taken over the club.

Hallam (Pat) Slipp of Fredericton, who played Rugby with both U. N. B. and Dalhousie and who now is living in Montreal, is here for a few days. He says that Paul Fraser expects to turn out with the English Rugby team of the M. A. A. A. if he remains in Montreal, as is quite likely.

The Montreal press and the members of the Montreal English Club gave Fraser the credit of being the strongest kicker and one of the best three-quarters ever seen in the game in the Metropolis.

Rothesay Team Won From Fair Vale, 3-2

Rothesay tacked up their fourth win in the Fair Vale-Rothesay League when they took the Fair Vale representatives into camp last night on the Rothesay diamond to the tune of 3 to 2. In the seventh and final inning the Fair Vale aggregation tied the score with a brace of tallies and excitement ran high among the 400 fans in attendance. Kilpatrick of Rothesay, came home with the winning run in Rothesay's half of the seventh and put the game on ice.

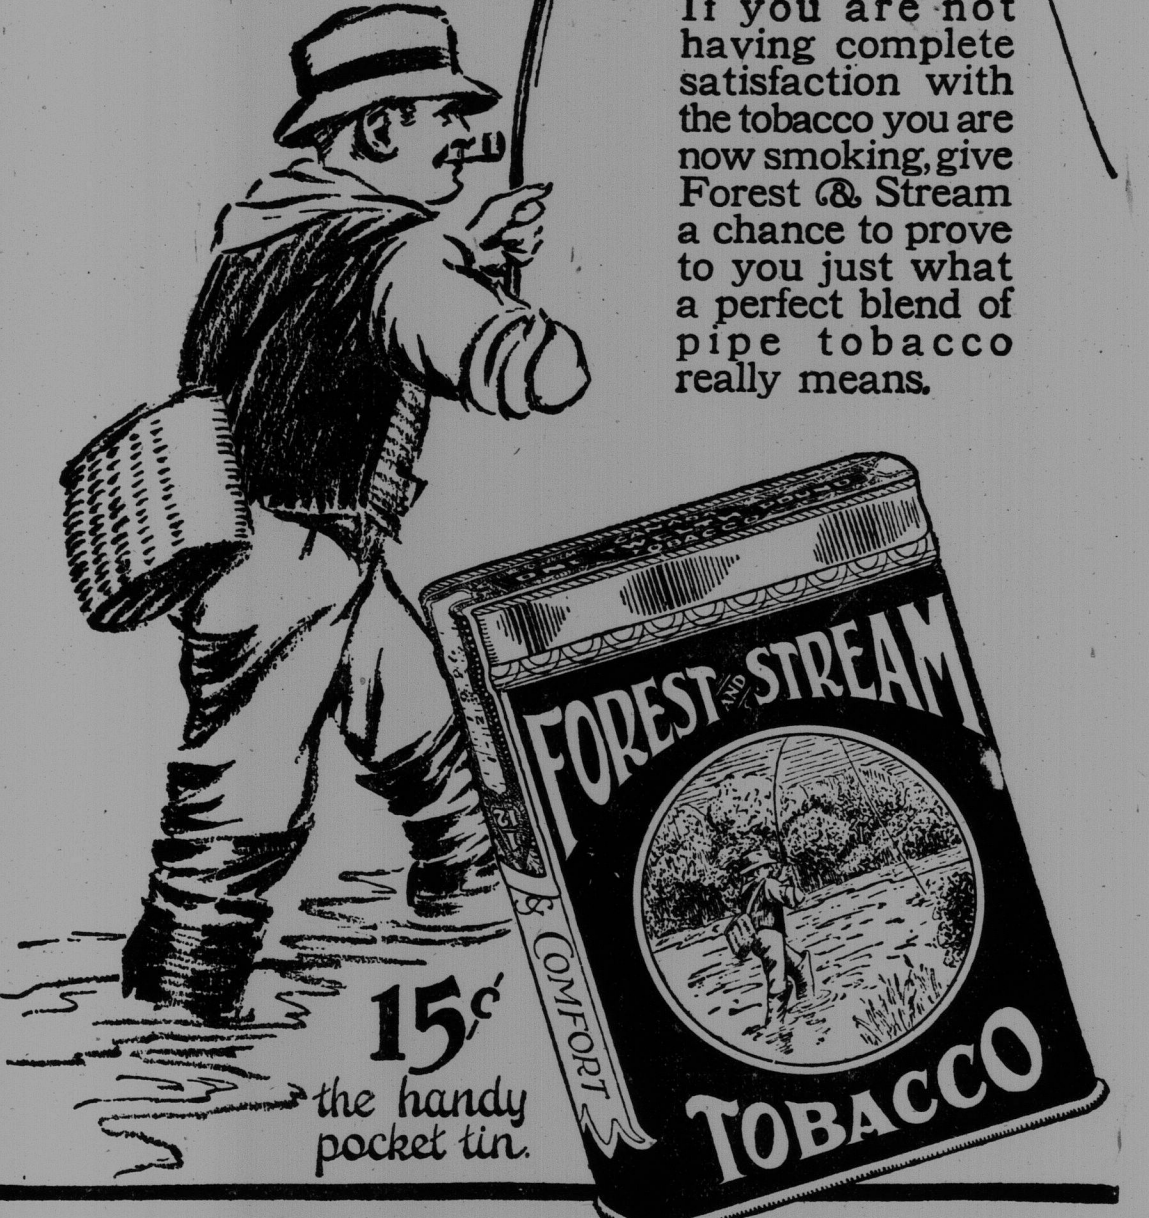

Graves hurled for the Rothesayites and was opposed on the mound by Sullivan. Sullivan had nine kayoes and Graves retired two to the bench via the strikeout pitch. The hitting of Short and the fielding of Powers featured.

MORRISON REINSTATE

PITTSBURGH, Aug. 18.—Johnny Morrison, Pittsburgh National pitcher, suspended many weeks ago, when he went to his home in Owensboro, Ky., without first asking permission, has been reinstated.
