CANADIAN PACIFIC MOUNT COMPARTMENT SLEEPERS

The greatest of satisfaction has been expressed by those who have travelled between Saint John and Montreal in the Mount compartments, which have been in operation since August last on Canadian Pacific train 16, leaving Saint John at four o'clock in the afternoon, and train 16, leaving Montreal at seven o'clock in the evening.

This class of sleeper has always been operated on the more important lines of the Canadian Pacific, and its adoption lately on the Montreal route has proved very successful, and growing more popular all the time.

The style of compartment sleeper in service here has three compartments, dining-drawing-rooms, while the balance of the car is given to observation purposes. Of course the car is fitted up in Canadian Pacific style and standard, and all the arrangements tend to the complete comfort of the occupant. The accommodations offer every opportunity for rest and relaxation, and at the same time give ample chance to view the scenery en route. Each compartment contains one lower and one upper berth, and all toilet facilities, etc., much the same as the regular drawing-rooms; they are also decorated with Private Staterooms, and are considerably less in price than the ordinary drawing-rooms. Patronage deserving strict privacy with all the comforts and accommodations offered in drawing-rooms, or those who heretofore have been unable to secure drawing-rooms, will find the compartment of the greatest benefit.

W. M. S. BIRTHDAY PARTY.

The annual birthday party of the W. M. S. of St. David's church was well attended and proved most enjoyable. The offering, which will be used for missionary work, was a large one.

NATIONALS A. C. MEETS.

An important meeting of the newly-formed Nationals A. C. has been called for 8 o'clock this evening in the Victoria street church hall. Members of all the National teams are requested to be present as important matters will be dealt with.

Wrinkles Vanish Before Your Very Eyes!

Just think! In your mirror, before your very eyes, you see the wrinkles, age lines, and sagging vanish from your face. And it's such a simple and harmless treatment. Just mix a spoonful of lemon juice. Apply to your face and watch the most marvelous change take place—in less than 15 minutes. See the horrid wrinkles, worry lines, creases and bagginess quickly disappear. It is a wonderful, startling sensation. Only the actual experience could make you believe it.

APPLES MOVE OUT OF N. B. STEADILY

Unfavorable Weather Has Caused Some Delay in Packing and Forwarding.

FREDERICTON, Oct. 22—There is steady movement of apples out of New Brunswick. Shippers will continue to send their apples out for the rest of the month and all of next. Montreal is taking the fruit, although that market is not very active just now. The early varieties, Duchess and Dudley, were cleared by New Brunswick growers at fair prices. The varieties now moving are wealthy, Alexander,

Indigestion

When chronic, is best relieved by Dr. Chase's Kidney-Liver Pills.

In most cases, indigestion results from torpid liver and sluggish bowel action. Tablets for the stomach and aids to digestion fail in this chronic form of indigestion. You must get the filtering and excretory organs right before you can expect permanent relief and this is best accomplished by the use of Dr. Chase's Kidney-Liver Pills. Chronic indigestion is a very common condition. On this account many suffer for years not realizing that relief is at hand in the form of Dr. Chase's Kidney-Liver Pills. Headaches, biliousness, spells of constipation and diarrhoea are among the accompanying ailments. What a relief it would be to be free of this condition which makes one feel so miserable and it is so easy by using this well-known regulator of the liver, kidneys and bowels.

WEATHER CAUSES DELAY.

There has been delay in the movement of the apple crop because of the unfavorable weather for picking. Too much rain has fallen as well as a little snow in some places. The weather also has been colder than usual.

The Horticultural Branch, New Brunswick Department of Agriculture, reports that the crop is being marketed in good condition. The opinion expressed early in the season by a Montreal buyer that the crop had been allowed to be seriously infested with scab is said to have been unduly pessimistic. New Brunswick apples are said to be as good as the average crop, as far as scab is concerned.

TWO PRIZES OFFERED

G. N. C. Hawkins, manager of the Fredericton branch of the Bank of Montreal, has donated two prizes for students taking the next course at the N. B. Agricultural School at the Experimental Station. The first prize will be a medal for the student making the highest general standing and the second prize will be a gift of books.

ANCIENT 'VENUS' FOUND

VIENNA, Oct. 22—A severe winter estimated to be 80,000 years old has been found near here in the "Mammoth" caverns at Pollau. The "Venus" is six inches high and made of fine-grained sandstone. This remarkable piece of craftsmanship is supposed to represent the perfect woman of that period, which, if estimates are correct, was during the Old Stone Age.
