administrative responsibility are not al-
ways to be depended upon to live up to
that responsibility, particularly in mo-
ments of crisis which test not only the
capacity, but also the courage of the
individual. If, therefore, Mr. Murdoch's
prompt intervention came as something
of a surprise to the public, the reason is
found in the somewhat unfortunate and
discouraging experiences which the pub-
lic have had at the hands of some minis-
ters, and notably from some ministers
of labor.

Ketepec was the scene of a happy
gathering on Tuesday evening when a
large number of friends assembled to
tender a lovely shower to Miss Jean
Strong. The guest of honor was the
recipient of a large number of beautiful
and useful presents. During the evening
dancing was enjoyed and refreshments

place in the near future.

The nurses' home in East St. John was
the scene of a happy gathering last
evening when a number of friends as-
sembled to tender a lovely shower to
Miss Eva Hutchison, one of the nursing
staff. The guest of honor was the re-
cipient of a large number of beautiful
and useful gifts. During the evening
dancing was enjoyed and refreshments

principal in a nuptial event to take
place in the near future.

The fair held by the East St. John
Community Club in the club hall was
brought to a close last night and had
a most successful two-night run.
The Community Club can claim the
honors for holding the first fair ever or-
ganized in East St. John and can also
take some pride in having made the
undertaking so enjoyable and successful.
There was a good attendance last night
and the games were well patronized.
The prizes were won as follows: Bag-
tells, O. C. Withers; devil-among-the-
tailors, S. Day; ring toss, M. Sterling;
flood-gates, O. C. Withers; nine pins, J.
Payne; lot game, H. Tonge; bean board,
S. Day.

The committee of the New Brunswick
Protestant Orphanage board which has
in hand matters concerning the erection
of the orphanage and the erection of
a large institution on the property in the
Manawagonish road which was recently
purchased, met in the Orange Hall, Ger-
main street, on Tuesday night and pre-
pared for the launching of a big cam-
paign this fall. W. M. Campbell pre-
sided in the absence of the president, D.
C. Clark. It is intended to push the
project vigorously in the near future and
to make a direct appeal for funds for
the building. Various sub-committees
were appointed at the meeting in order
to effect as strong an organization as
possible.

MONCTON TRANSMISSION LINE.
It was reported at the New Brun-
swick Electrical Power Commission's
office yesterday that the line to Moncton
would be ready to carry the hydro cur-
rent in December. R. H. Cushing, en-
gineer for the Moncton line, said that
there was only about fifteen per cent.
of the clearing not completed and that

RICHARD BLADWORTH ANGUS.
(An Appreciation by "J." in Montreal
Gazette.)
"So be my passing!
My task accomplished and the long day
done
Let me be gathered to the quiet west,
The sundown splend and serene,
—Death—"
Canada, and Montreal in particular,
mourns the loss of Richard Bladworth
Angus, the last of that also, now his-
torical group that moulded, wrought
and developed our great country of to-
day—the last of those towering mon-
archs of "the forest primeval" who,
high above their fellow-men, survived
and surmounted the blasts of storm and
criticism that are the inevitable portion
of the constructive and intrepid minds
of a new land.

Those who knew Mr. Angus as a
public figure admired his unusual phys-
ical perfection, his noble serenity, his
remarkable mental balance, the great
citizen of a great city, grown and de-
veloped during his years of maturity.
But to those favored with the intel-

Soak the Dirt out.

THERE is such a sim-
ple easy way of wash-
ing rompers, school
ginghams, play clothes,
etc., that you won't mind
how many there are—
thanks to Rinso.

First, make the wonder-
ful Rinso liquid. Take half
a packet of Rinso, thor-
oughly dissolve it in cool
water, and add two quarts
of boiling water. Then lay
your clothes to soak in the
tub of cool or lukewarm
water. After one, two or
three hours or in the
morning give them a thor-
ough rinsing and the dirt
just runs away. No need
to rub on the wash board
so that holes come and
colour goes.

Rinso is a wonderful
product, scientifically
made to wash clothes by
soaking—different from
soaps, chips and washing
powders, and used differ-
ently.

Do not put Rinso in-
to the tub from the
package, but make the
Rinso liquid first.

IF YOU USE A WASHING MACHINE
Follow directions as above. After soaking
the clothes wring them into machine, add
enough fresh Rinso liquid, operate and rinse,
and you will have the sweetest, cleanest clothes
you ever saw.
