

CHANCE WILL NOT MANAGE RED SOX

Boston Club May Call Off The Deal With The Detroit Tigers.

New York, Oct. 21.—You can't keep "old man" rumor quiet during the off-season. He likes the spotlight as well as the next one and he's always around with a tale or two about this thing or that.

Mr. Frazee, being the president of the Red Sox, and who should know what's what concerning the Boston Club, was quizzed about the tale. Mr. Frazee declared that Chance has not been signed to manage the Red Sox next year.

May Call Off Tiger Deal.

Mr. Frazee also shed some light on the proposed deal between the Red Sox and the Detroit Tigers. When the deal was first announced, it was said that

The Boston Club would give the Tigers "Rip" Collins, the pitcher, and Pratt, the veteran second baseman for Howard Ehmke, the pitcher, Carl Hollings, a recruit right-hander and Danny Clark, a young infielder. Also, the Boston Club was to receive \$35,000 in cash to complete the trade.

"The Boston Club agreed to give the Detroit Club Collins and Pratt for three players," said Mr. Frazee in discussing the deal tonight. "The Boston Club named the players it desired and the deal was practically closed. But now the Detroit Club refuses to part with one of the players we want and the deal may be called off in a day or two."

HIGH SCHOOL AND ROTHSAY IN 3-3 TIE GAME

The St. John High School football team held Frederickton High School from a 3-0 to a 3-3 tie Saturday afternoon. The game was a safety eight times during the game. The game was bitterly contested, and was witnessed by large throngs of enthusiasts.

The line-up of the teams follows: Frederickton: Fullback, Peters; Halfbacks, Humphrey, McCordie; Guards, Campbell, Kean; Ends, (Capt.) McInerney, Wilson; Tackle, Snodgrass; Center, Snodgrass; Quarterbacks, Rice, Scott; Running Backs, Mulcahy, Hickson; Forwards, Linton, Mills; Linebackers, Kincaid, MacFarlane; Defenders, Ewing, Winters; Special Teams, Fox, McLennan; Goalkeeper, Goff; Spares—Frederickton, Babbit, Vivien, Bliss, Murphy and Walker; St. John, Case, Clifford; Referee—A. McCloskey.

FORD FINISHES FIRST; CONTEST DECLARED OFF

Although the Henry Ford romped home Saturday, leading the Bluecross Canadian champion, the committee declared it no race. There was some confusion in the orders, and both schooners failed to return, although ordered to do so after a false start. Captain Angus Walters started to obey the order and began to clew his foresail and lower the stay sail, preliminary to coming about, when Russell Smith, official American observer aboard the defender, said he had something to say about the race and that it should be continued. As the wind light and there seemed no possibility of finishing within the time limit, it was decided to let them continue and not discontinue the thousands of spectators. It was found that the Ford was carrying 135 square feet more sail than permitted under the rules and this was removed yesterday. The result of the race caused much controversy and after heated discussions it was finally arranged to start the series today.

SAYS SCHOONER RACE DEFEATED PURPOSE IS DEFEATED

New York, Oct. 23.—The New York Herald, discussing the challenge of the Bluecross schooner race, points out that under ordinary circumstances such challenge races have usually fallen rather flat, and adds: "But an unusual circumstance about the Mayflower's challenge to the winner of Saturday's schooner race was to begin with. The Gloucester fishermen felt they threw away their rights to stand up for a schooner debarred as the Mayflower has been. It was the only natural that the owners of the Henry Ford should have accepted Mayflower's challenge, and Nova Scotia showed its sporting blood by following the same course."

"Keen as will be the interest in the Bluecross-Henry Ford series which begins on Saturday at Gloucester, it looks as though this contest will be overshadowed by the race in which the Boston schooner will have the chance to show which she has been seeking for two years, how fast she can sail in a real fishermen's race."

LADIES! DARKEN YOUR GRAY HAIR

Look years younger! Use Grandmother's recipe of Sage Tea and Sulphur and nobody will know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at your drug store for a bottle of "Weyth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

The journey was resumed at 4:35 a.m. in the morning and completed the same evening.

Recently at Long Eaton, where I am engaged as Advertising Manager of the Picture Palace, the conductor there begged me to try Clark's Blood Mixture, but I refused. However, he, knowing its curative powers from experience, made me a present of a bottle, which I began to take. Recognizing a slight improvement in my limbs, I got another bottle, and continued the treatment until I had used four bottles, and now my skin is perfectly healthy again."

IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally if You Eat Too Much Meat.

No man or woman who eats lots of meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much meat may form uric acid, which clogs the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood; then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in urine so it no longer causes irritation, thus often ending bladder disorders.
