\$100 or more invested in a "Canada Permanent" Bond for ONE YEAR will earn interest at FIVE PER CENT. per annum, payable half-yearly. A higher rate is paid on longer term investments. Interest begins the day the money is received, and the Bond will be made to become due on any date the investor desires.

The Bonds are issued in small sums and for short terms to enable those of moderate means to obtain a high-grade security yielding a fair return and still have their funds available within a reasonable time. Small amounts should not be allowed to remain idle when they can be employed to such good advantage as by investing them in these Bonds.

The Corporation has been issuing these Bonds for nearly half a century. They are a first charge against its assets, which amount to over \$33,000,000.

Rev. G. M. Wilson has resigned from the pastorate of the Kemptville-Carleton field in Yarmouth county.

This office was favored recently by a call from Rev. J. E. Gosline of the Oromocto field. Mr. Gosline reports that progress is being made on that important pastorate. Rev. T. E. McWilliams has accepted a call to the churches at Little River and Sandy Cove, Digby county, and will close his work at Lower Aylesford the latter part of April, taking up the work of his new pastorate on the second Sunday in May.

Montreal Herald:—The depression in Canada Steamships stocks has caused considerable uneasiness among certain shareholders, and it was stated on the street today that preliminary steps have been taken to form a committee of shareholders, particularly of those holding common stock, to institute an inquiry with a view to obtaining more detailed information regarding the affairs of the company.
