ESCAPES FROM HOSPITAL AT GRAND FALLS

Newman Clark, Held Responsible for Girl's Death, Gets Away During Night.

Grand Falls, N. B., April 3.—Placing a dummy form in his bed in the hospital here, Newman Clark, of Four Falls, declared by a coroner's jury to have killed Miss Phoebe Bell, made his escape from the building during Thursday night. He is thought to have crossed the border into the United States. His absence was not discovered until six o'clock this morning. Although the coroner's jury had pronounced him responsible for the girl's death, he had not been placed under arrest, as the authorities were waiting for him to recover more strength before placing him in custody. It is believed that he is in too weak a condition to get far away unless aided by friends. Attorney-General Byrne was expected at Grand Falls tonight to take charge of the situation and possess are scouring the countryside.
