As regards situation, it is located in a very pleasant town, and being in close proximity to the Baie des Chaleurs, is one of the very best summer resorts for tourists and families who leave the heated cities to seek the invigorating air of the North. The County excels in beautiful scenery and excellent fishing grounds. The hotel is within easy reach of the Intercolonial Railway, and every effort will be made by the Proprietor to secure the comfort and pleasure of all who may patronize the establishment, which will be conducted in the very best style.
