### THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc. resulting from excesses.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured, without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.

Address  
THE CULVERWELL MEDICAL CO.  
41 Ann St., New York.

P.O. Box, 4586.

### REMOVAL.

MR. BRADLEY respectfully intimates to the public, that he has removed his store, to the premises at the head of Parr Street, lately occupied by Mrs. Fitzgerald; where he will continue to keep for sale, a general stock of groceries and provisions.

St. Andrews, May 1, 1878—41 pd.

### Parks' Cotton Yarns!

Awarded the Only Medal Given at the Centennial Exhibition For Cotton Yarns of Canadian Manufacture. No's. 5's to 10's. WHITE, BLUE, RED, ORANGE AND GREEN. Made of Good American Cotton with great care. Correctly numbered and Warranted Full Length and Weight.

WE would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger yarn than the Ring Frames, used in making American yarn. It is also better twisted and more carefully reeled; each hank being tied up in 7 lbs. of 120 yards each. This makes it much more easy to wind than when it is put up without less—as the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP, Made of No. 10 Yarn, 4-PLY Twisted. WHITE, RED, BROWN, SLATE, &c.

All fast colors. Each 5 lb. bundle contains 10,000 yards in length and will make a length of Carpet in proportion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None others are genuine.
