The Herald.

CHAEP DRY GOODS: M<sup>\*</sup>CAFFERTY & DALY, CORNER KING AND GERMAIN STREETS. We have Reduced our Whole Stock to Meantime, they grow in number, even more rapidly than the sects of Protestant-ism, which seems now to be so rapidly sinking into infidelism armot to have even the energy of exfoliation. Some number who has been an officer in one, fails of re-election, his merits are not recognized to his satisfaction, he gets, from any cause, under a cloud, a Kilkonny-cat light is waged (you have all seen this sort of thing in a church choir). Ho withdraws, sug gests a new institution, descants on its benefits as glibly as a life insurance agont gots adheed to the source of the source Praince, are select and cast into prison. The examples is initiated. Hundrods of it Templars are corywhere executed under color of law. As above stated, the Pope suppressed them as an Order, burned at the stake in 1314 Jacques de Molay, with the civil rulers, a very little of it being transferred to the Hospitallers : and the great Order of the Hospitallers : and the great Order of the Hospitallers : and the period, where, under the shap name of "Knights af. Christ," it has continued to the a coased to exist in all Burope, save in Pertugal, where, under the shap name of "Knights af. Christ," it has continued to "Knights af. Christ," it has continued to the great a disaway existence; the princi-pal reason for which, at the present day, seems to be that it furnishes the Port-ugueae monarch with a cheap way of mak-ing fools with money believe themselves noble, so far as ribbon and a fille will ac-complish that end. There still scens to be popple in the world that believe in those things. Shame, that the name of the Saviour of mankind sholl be omployed in such a contemptible and silly trans-action ! (To be contaued)

ents as glibly as a life insurance agent adherents, forms a mutal, devises re-a, a charter is procernel for a Grand Per ge, subordinate Lodges are formed, "k friend is, of course, the Most Wor-ful Grand Master, or Most Eminent ad **Tanjandrum**, devotes hinself to seer propagation of the new order, and i ugu poor affair, indeed, if he does not ing

(To be continued.)

this business, to notice, as indicating the business, to notice, when he sees in his newspaper the next amouncement of an election of Grand Officera, in any of them at random, how few of the men with all the letters of the alphalet strung he-we and after their names, are known we to the obscurst kind of fame. Our in experience has been on inquiring a ther alout though that they were almost as abroad. THE FLYING MAEHINE. SUCCESS OF THE NEW AIR SHIP-IT CAN RAISED OR LOWERED AT THE WILL

further about them, that they stated at miversally quite as undistinguished at home as abroad. What is it, then, that the Church does condemn? What are the documents, and what reasons are assigned for the con-domation? For the proper and full asswering of these questions a very cur-sory histericalektech is notesary. Through Clement V., in 1212, suppress of the Order of Knights Tanga very cur-tange of the context of the proper and full asswering of these questions a very cur-sory histericalektech is notesary. Through Clement V., in 1212, suppress of the Order of Knights Tanga very cur-tange of the order of a supersonance is de-finitive sentence as to the guite of the members he avers not to have been proved. He suppress them solely "to present the farther growth of a meastrone scalad, and for the grater good of or fortisted on." And as the Templan were in their day, one of the monte cleberated and powerful military order of Christendom, a ghance at the history it bis Order, its ring, its profess a dobject, its progress, its departure from its original and, its ring its optice from the out electrone the proved to be any of the grater good of or state dows." And as the Templan were in their day, one of the most celeberated and powerful military order of Christendom, a ghance at the addite distingt in the profess.

cret order. We say

10° Close on to a quarter of a centery. In the public at the varies of practical service, it still is the instance of above repreach, his official and character above repreach, his official and the public at flartford at were at this dialphan, the public at flartford at were at this dialphan, the public at flartford at were at this dialphan, the public at flartford at were at this dialphan, the there coated interiorly with India rub to the state at the top and the restored at the base at the state of the state at the top and the state of the coated interior of the state of the state at the top and the restored at the base at the state of the state at the top and the state of the state at the top and the state of the state at the top and the state of the state at the top and the state of the state at the top and the state of the state at the top and the state of the state at the top and the state top and the state at the top. The state top and the state at the top and the state at the top. The state top and the state at the top. The state top and the state at the top and the state at the top. The state top and the state at the top. The state top and the state at the top. The state top and the state at the top. The state top and the state at the top. The state top and the state at the top. The state top and the state at the top. The state at the top. The state top and the state at the top. The state at the top. The state top and the state at the top. The state top and the state at the top. The state at the top. The state top and the state at the top. The state at the top and the state at the top. The state at the top and the state at the top. The state at the top and the state at the top. The state atop at the top and the state atop at the top and the s most of them, are blockably pure in their inception, proposing to themselves some object, valuable in itself, which seems either impossible or difficult of attainment, except by the agencies that they intend to set to work. While poor, they, remain pure. Bit success, its resultant wealth, the abandonment of the original aim of its extinction by the progress of the world, have invariably—all history being the proof—produced in them great havity, not to say corruption. When once wealth has erept in, or through lapse of time and change of circumgal ness, the object for which they were founded has cenaed to keist, the invertiable tandensy is to keep their wealth by hook or crook, to allegorize and rofine upon their object, to protend work where there is none to do; and as Natan is said always to find misehief for the idle, it would seem to be impossible of the members to keep on therms with te, it would seem to be impossible a members to keep on terms with at of civil or ceclesiastic. the rest of eivil or ceclesistical society revolutions About the year 1117, two pions French knights undertook to accompany and pro-teet such pilgrims as desired to pass be-tween Joppa and Jeuxalem. They made a vow to that effect. Indienced by zeal propeller. For the object, -a very necessary one in those days.

NO 29. MR. TILLEY'S RETURN TO PUBLIC LIFE. (From the Toronto Mail.) We are sure the country will receive with the utmost satisfaction the announce-ment that Lieut. Governor Tilley, of New ment that Lieut. Severated to menter Brunswick, has consented to re-enter public life, and will be a candidate for This Wednesday last, to a deputation of the Liberal-Cor ation of the Liberar open him. As Mr. Tilley might remain in the gaber-natorial office for some months longer if he choose, his acceptance of a candidature

ssarily implies his resignation of that sion; and we have no doubt that so as his resignation is accepted at Ottawa he will en not only of the City of St. John, but of the Without knowing anything of Mr. Til-

ley's motives for coming back into politi-cal life, we can readily understand that he is anxious to have his hands freed, so that he may be in a position to vindicate his during the time he was Finance Minister, and reply to the many unworthy attacks which have been made upon him by the "mixer and muddler." upon him by the "mixer and muddler. Settle Mr. Tilley is a prominent figure in all the settle if hancial discussions. It was he who brought down the estimates for the year 1873-4, the exponditures during which the present Government reputiate, though make the interval the present Government reput under their control for eight

under their control for eight months ont of the twelve. We have no doubt when Mr. Tilley comes to deal with this partic-tular branch of the financial question that he will lay many a broad lash upon Mr, Cartwright's back and make the heaven-born financer wish that he had left him alone. For well nigh five years Mr. Til-ley's mouth has been closed. He knew to well the obligations of the Lieut. Governor's office to play the partiann like Luc. Letellier The First : but we much

Governor's office to play the partisan like Luc. Letellier The First : but we much mistake if he will not heartily relish a re-

fetters which have bound him for so long a tim Mr. Tilley has been the most pro main in the Province of New,Brunswick for close on to a quarter of a century. In his time no one else has wielded anything his time no like his influ

tween Jopp and Jeuzelan. They made a vow to that effect. Influenced by zeat for the object, a very necessary one in the addition; and the inice like those of the serce work of the ordin-stream Jope and Jeuzelan. They would, under ordin-a vow to that effect. Influenced by zeat for the object, a very necessary one in the addition; and the inice like those of the serce work of the ordin-tron light reades above and in iront of this specifier. It is said that the first two knights were zo poor as to have been object do the wree then al-object do the draw work that the operator's seat, except that it is so geared to the main fan that it may be other, so as to guide the moines in dianceter. It is so geared to the main fan that it may be other, so as to guide the moine is dianceter. It is not entered from one side to the other, so as to guide the moine in the tar, the addition one horse, a fact seals, many of which a armory m Jeru-salem by Baldwin II., then king.
