proposed provincial uni rsity. What the premier said was as follows:

"After the academid branch is es-

tions, the site is selected and a land endowment is provided by parliament." The premier, in referring to stock-

growth of the industries it controlled. Puget Son The premier was accorded a vote of

In reading the constitution and bylaws the question of the extra \$3 per cisco at 20s., including 700 tons of s day for time of delegates came up for discussion, as in the case of Dairy men yesterday. Mr. Wells opposed the plan and put an amendment that the clause read \$3 per day for hotel ex-penses only, without the additional \$3 per day for time. George Sangster seconded the motion.

The amendment was carried by 13 votes to 10 and the stockbreeders will receive hotel expenses only, when at tending conventions, while, if the government does not frustrate the plan of the Dairymen, as was hinted by Mr. Wells, the latter will receive the extra \$3 per day for time.

The following officers were elected: A. D. Paterson, president; S. Smith. yice-president; Hon. T. W. Paterson hon, president: Hon Price Ellison and Dr. S. F. Tolmie, hon. vice-presidents: George Sangster and Messrs. Hadwen. Shannon, Vasey, Davie, Webb, Shop land and Tiffen, directors.

Dr. S. F. Tolmie, of the Demision department of agriculture, spoke on Animals and Livestock Branches in B.
