LONDONDERRY ATTACKS LIBERAL PARTY Fredericton, N. B., in 1854. A widow

House of Lords Listens Terrible Picture of "Distressful Country."

London, Jan. 31.-Heated charges of cowardice in turning a blind eye to the "reign of terrorism" in Ireland in his left groin. He died in less than an order to keep the Nationalists in good temper and assure a continuance of their support in the Commons, were launched against the government in the House of Lords yesterday.

The Marquis of Londonderry, who was viceroy of Ireland in 1886-89, led in the attack. So infectious were his entiments that even Lord Longford, who has been a representative peer of TABRIZ TERRORIZED, Ireland since 1884, broke his silence of 24 years and dvoted his speech to a recital of his personal experiences with cattle-driving outside his own gates. The Marquis of Londonderry declar ed that the present state of Ireland is worse than in the dark days of the Russian Government Has Lost early eighties, when murder and outrage were rampant, and he attributed the conditions entirely to the coward ice of the government.

The lawbreakers, he asserted, had the audacity to declare that they had at their backs members of the gov-ernment, and it was even reported that the constabulary had been ordered not to come into actual contact with them. He pointed out that when the Right Hon. James Bryce vacated the cal. chief secretaryship, Mr. Bryce reported that the condition of Ireland was re-assuring, but shortly after Mr. Bireral manager of the Crow's Nest Pass rell's advent cattle raiding was in-coal Company, said to-day that he exsoon be settled. The men claim that by the Irish League, and trial by jury means a reduction in wages, and they demand an investigation. The comconditions continued anarchy would for Cossacks.

The Marquis of Londonderry con- dered Russian troops to Julfa to be in rerized by the Nationalists into permitting a state of things disgraceful to

any civilized government.

Lord Beauchamp, replying in behalf the joint board of operators and em-loyees on February 10th.

The discussion of operators and em-loyees on February 10th.

The discussion of operators and em-loyees on February 10th. It is not believed the strike will that cattle-driving had increased du spread to other properties of the same ing the past year, but said that this was the solve sign of agrarian condi-tions becoming worse. The government deplored the cattle raids, but, he declared, the country was no more lawless than during certain periods of mier Balfour's administration, and following Gerald Balfour's precedent when he was chief secretary for Ire land in 1895-1900, the government had no intention of reviving the Crimes

Act, as suggested. DRUCE BUBBLE
