SEIGEL'S OPERATING PILLS, unlike many kinds of cathartic medicines, do not make you feel worse before you feel better. Their operation is gentle, but thorough, and unattended with disagreeable effects, such as nausea, griping pains, &c., &c. Price 25c.

Oftentimes diseased or partially decayed food causes sickness, nausea, and diarrhoea. If the bowels are cleansed from this impurity with a dose of SEIGEL'S OPERATING PILLS, these disagreeable effects will vanish and good health will result.

If you take a severe cold, and are threatened with a fever, with pains in the head, back, and limbs, one or two doses of SEIGEL'S OPERATING PILLS will break up the cold and prevent the fever.
