Dawkirs' New Year's Eve. LOUISE J. BROOKS.

Twas the last eve of the old year, and Dawkins, broker and speculator, at in his counting-room in the Queen's Buildings, examining the returns of the

one week." he commented. uning his hand through his iron-grav with a great scal ring, a genuine antique hat matched well the dead gold buttons muning the wristhands of snowy linen. "Yee, a very prosperous week. Well. Mapes," impatiently addressing a figure who had just that moment entered the on with a halting footstep and a look ost painful embarrassment on his thin, closely-shaven face, "what can I do for you to-night?"

"Mr. Dawkins, sir," began the newcomer in a quavering voice, lifting the thin bent form, "it is nigh unto twenty years since I first entered your service.' Well, and what of that?" returned the other stooping to lift a stray whi-p of paper from the floor. "What of

A look of disappointment crossed the nance of the one addressed as Mapes, and he gave vent to a sucsion of little day coughs before he "And Mr. Dawkins, sir, I have tried

to serve you faithfully and well, and have never once during that time asked of you a single favor." The figure in the leather-cushioned chair drew itself erect, and the voice that answered the more timid one, plain-

claimed the cold, calculating man "You know that I do not approve of favors, Man. They are things I never ask and seldon grant. I told you may mouth when I raised your ages ten pounds a year that it all you could expect from me uncar the circumstance."

ne that brought me here to-night,' the old man, dejectedly, a dark flush rising to his brown cheek; "the bare wants of my little family, but but—I wished for a loan of thirty

If the earth had opened at his feet that moment, his employer could not have been more astounded. Mapes," he said, rising majestically.

if you were not an old man and a steady one, I should wonder less at your words. Knowing you as I do, re can be but one reason for such

The flush deepe side him, and the long thin fingers worked nervously as Mapes made his

You are right sir; it is-Milly. "I thought so," returned the other ptuonely, sinking back into the of his cushioned chair. "And do you trouble yourself in regard to her? she chose her own path, and left the roof that sheltered her for the company of the miserable vagabond who claims her as wife. She took her own deliberate choice; why should you suffer for her fault ?"

"But she was my girl, my little one." said the old man, in his quavering voice; and I mind her, the blue-eyed, fairhaired tiny dot that she was, dancing out after the sunbeams like a bird on the wing. And she grew up such sweet, shy maiden that I thought in all the world there was nothing half good ugh for my Milly."

"And she scorned your counsels," the harsher voice continued, "darkened your home, and nearly broke your old heart, Mapes. Why should you consider her after that?"

There was a tender light in the old clerk's dim eyes; a far away dreamy look that brightened the wrinkled face

" She was my girl, my little one," he

ated, softly, "and every year that sed she became more and more the ge of her dead mother. I loved her cell and when she took her own way it broke me down and made me the old. old man that I am. But you would not n, and hollowed eyed, and all the music has gone out of her oice. Her husband lies in prison for debt, and he swears that if he is once released he will lead an honest life, and in another country build up his ruined character. He is young, and there must be good in yet, or my girl would never love and cling to him as she does. She has come back to my lonely home, and the motherless children who so sadly need her care, but her heart will break if he is denied the chance he please for so desperately. It is had but the thirty pounds." ** It is useless, Mapes," answered Mr. Dawkins, in his most decided tone. Let the fellow remain in the strait to

which his transgression has condemned m, and the girl suffer to the utmost of—Mapes.
"Where is Alice, my daughter?" sorrow brought on by her own fol-"But you have a daughter," plead Mapes-" and Master Arthur-... for the love of Heaven."

gasped Erastus Dawkins. "Tell me, At the mention of that name Erastus Dawkins' face grew pale with anger, other, with a grim smile on his pinched and he cried, in a voice that made the features. "You must hate the sound other shrink in dismay: My Alice! Why man, I would your hearthstone and left you childless ther see her robed in a shroud than Who robbed you of your hard-earned

You have been a faithfu! servant for twenty long years, and I an waiting city, heralding the first awkening of the New Year; and other chimes angrateful master not to have remembered it. Take this check for one hunwould echo the joyous tidings, till the whole air would be filled with the wild dred pounds, not as a present, but as your just due for services rendered and clash and clangor of their brazen tongues. But now the silence of death make poor Milly a happy woman." reigned, and the stone pave gave forth

Forth went Erastus Dawkins a second time into the quiet London streets, but no sound save that of his rapid footnow it was brilliant star-light. The olemn chords of the grand organ, mingled with the chant of heavenly voices, street, he went on a square or two, and pansed in front of the great gloomy house he called home. Nova light apose on the air as he passed old St. Paul's, where the white robed chorpeared anywhere, and the heavy mulliisters were celebrating the beautiful ed windows frowned down upon him midnight service. grimly. Taking a key from his pocket.

From the windows of his own house leamed many a light, and on the steps stood a manly figure, with a cap drawn far down over his vet bovish face.

n, who was sleeping at his post in the "Forgive me, Mr. Dawkins," the rank young voice said, "but I am zoing away to-morrow from my native and, perhaps forever; and I wished to cutch but one glimpse of her whon love, that I may carry the memory of i with me over the wide blue sea, and hrough the long uncheered years that nust elapse before we meet in a land his master again, in alarm at his sinwhere parting is unknown."

"Arthur, my boy," said the elder vith a curious tremble in his voice, "She went out at dusk," said the hat made the other start with amaze nan, at length, "and we have not seen nent, "for many years I have been a hind foolish man. Come in, and it with her own lips she bid you go,-go. If not remain, and be to me the son of ny old age."

"A happy New-year, father," cried retty Alice Dawkins, clad yet in her linner-dress of pale-blue, with soft white lace draping neck and sleeves. "Why, Arthur!" blushing to the tips arm as if to strike, but dropped it again of her little pink ears, as she caught sight of the familiar form in the door-

way. "He has come to claim his New al vase; a dainty blue and gold vol-Year's gift," explained Erastus Dawrins, looking proudly down at his beauful daughter; and as the vision of a adder home-coming crossed his menory, he put his hand on the bright roung head, and said, softly, "God bless you, my dear, and keep you from bed doors staring blankly open. Only sorrow, and ruth through this and every year."

As if in benediction, the chimes of St. Paul's rang out, and was answered y the bells of Trinity, St. Ann's on the Thames, and stately St. Stephen's pent-ad londer than all the rest, till they seemed mad with their own silvery nusic; and from happy households vent up the prayer of Erastus Dawkins, "Lord, keep us from sorrow and ruth, threw up his hands and fell, laying hrough this and every year.'
