1883. Harper's Magazine.

Harper's Magazine begins its sixty-sixth volume with the December Number. It is not only the most popular illustrated periodical in America and England, but also the largest in its scheme, the most beautiful in its appearance, and the best magazine for the home. A new novel, entitled "For the Major," by CONSTANCE FENIMORE WOOLSON, the author of "Anne," was begun in the November Number. In literary and artistic excellence the Magazine in nowes with the observements.
