Boy one year and a halfold. Face and body in a terrible condition, being covered with sores. Surphur springs fail, Cured by Cuticura Remedies. cases where it proved to be successful. The was in the case of a boy a year and a half His face and body were in a terrible condition,

when his skin was as smooth as could be, and is cleday. I used the CUTCUERA on his sores and the CUTCUERA SOAF in washing him. He is now five years of age, and all right. The other case was a disease of the scalp, which was cured by washing with the CUTCUERA SOAF and rubbing in the CUTCUERA, one bottle of CUTCUERA RESOLVENT being seed. They have proved successful in every case where I have advised the use of them. It is surprising how rapidly a child will improve under their treatment. I recommend them for any disease of the skin as being the best in the world. This is my experience, and I am ready to stand by my statement, JOHN R. BEKO, American House, Hogansburgh, N. Y.

An Unbearable Skin Disease Cured I have been afflicted since last March with a skin disease the doctors called Eczema. My face was covered with scabs and sores, and the itching and burning was almost unbearable. Seeing your CUNICURA REMEDIES so highly recommended, concluded to give them a trial, using the CUTICURA CONTROLL AND A CONTROLL OF THE SECONDARY OF TH

how unnecessary is fanatical insisevery citizen of a free country. It plausible special pleader; and we could also suggests the idea that the United States affords an ample field for his absolute freedom from prejudice, all the temperance advocates that was of itself calculated to suggest the can prohibitionist lecturers—who are even in his own mind. looking for fields in which there is little or no work to do-that have the impudence to come into Canada to do in temperance matters.

After us Again.

The Advocate is still seeking occasion to slay the Advance, and has ed history has, at least, exonerated discovered a new reason why we should not continue to live. The outrage of which we are guilty, this time, is that of publishing Dominion end gentleman's desire to be fair. government advertisements. It It was the intention of those who calls these advertisements "pap for were managing the meeting to offer made use of it. It says it is strange ly, the business of the Province of Famed for Twenty Years, that we should receive these advertisements, especially as the Apprompt Payment of Frizes.

| Comparison of the second of the second

aimed at the avoidance of "detraction" and "virulence." We prefer properly circulated, sends them to forbearance.—Halifax Critic. us, we look upon it as evidence that

they know a good advertising nedium when they see it, and are not to be intimidated by the jealous protests of such papers as the Ad- ing at the opening of the St. John pocate from giving the people the Carnival on Monday : advantage of it. The Government, we assume, knows, as well as do most of the people of the Miramichi whose judgement in such matters is of any value, that while our advertising space is for sale those with the such is the progress of electricity. I am saguine enough that the day is not far distant when we will be able to sail through the air as we do now over the be utilized. I believed so once, but the vertising space is for sale, those who ocea claim or control by which they can and policy have always been fair and undoubledly in the public interest. The Government's advertising patron age may be a very great thing in the estimation of the Advocate, but, to us, it is just the same as any other business that seeks our office. It is appreciated when it comes, and we endeavour to give our patrons value for their money. To the country for \$22,500,000, To-day he might take up his parable and say: "Little did I dream in 1878, "that in ten years a Tory Government "would add \$13,000,000 to the public "coexion. My friend said it was "the cocasion. My friend said it was "the horozafe, but, "would add \$13,000,000 to the public "coexion on the brute," I knew he could not be wantonly nukind to anything. It not be wantonly nukind to anything. It is appreciated when it comes, and we endeavour to give our patrons value for their money. To the country for \$22,500,000, that it is appreciated when it is acts.

To-day he might take up his parable and say: "Little did I dream in 1878, "that in ten years a Tory Government "would add \$13,000,000 to the public "coexion. My friend said it was "the brock." It knew he could not be wantonly nukind to anything. It nover occurred to me that it might be education, and that nature had nothing to do with it.

FLOUR!

FLOUR!

Pigott only acted as their tool.

The diver day to the eight woulder of the world is said to belong fairly to the great procession. My friend said it was "the because of the brute," I knew he could not be wantonly nukind to anything. It never occurred to me that it might be education, and that nature had nothing to do with it.

Several years later the madam and I were camped near an old log road in the mile winducts, is not so remarkable as its here tool.

The diver day to the eight would as adde the animal once or three times a day the pony must the proper mature of the brute," I knew he could not exceed \$21,000,000."

The title of the eight world is said to belong the world is said to belong the occasion. My friend said it was "the because of th
