take it from Hansard, page 98. Mr.

Foster said:

The hon, gentleman could find nothing better to do a moment ago than to rise and coolly assert that I had made no statement in this House or the country from which any intelligent man could find out my position on the Manitoba school question. He said that I had gone to Smith's Falls and said something there. So I did, and I will tell the hon, gentleman first what I said in this House last seasion, and if my hon, friend thinks himself unable to understand English, he may give other gentlemen credit for knowing what the English language means, I said this on July 8th of last year:

Mas there have been several indefinite statements and denials in regard to his candidature during the past day or so, Hugh John Macdonald this alternoon wittory for their patty—a sweeping victory, in fact. They will do that until June 23:d, after which they will give us labored explanations of their defeat.

The complacency with which the Grits in his County win elections before they will give us labored explanations of their defeat.

The complacency with which the Grits of the which the Grits in his County win elections before they will give us labored explanations of their defeat.

The complacency with which the Grits of the which the Grits in his County win elections before they take place is proverbial. The News has won the next election in that way already. It says the "Tories" are doomed and the deluge is coming. We suppose there's about as much prospect of the one as the other.

As there have been several indefinite in regard to his candidature during the past day or so, Hugh John Macdonald this alternoon author 22d the statement that he had insult of selected at the convention, to be the conservative candidate. "The receipts from both country with the Grits in long general indefinite in regard to his candidature during the past day or so, Hugh John Macdonald this alternoon author 22d the statement that he had the convertacy's eat mate at the time they were matewant denials in r colleagues in the Government. We must say that, whatever they may think. take it from Hansard, page 98. Mr. must say that, whatever they may think. attements and denials in regard to his \$25,162,423. This makes the total dewictory for their party—a sweeping victory, in fact. They will do that until June 23rd, after which they will give us labored explanations of their defeat.

They will do that until June 23rd, after which they will give us labored explanations of their defeat.

The secretary's est mates at the time they were made were believed by those in long experience in the department to for Winnipeg. M. Macdonald added:

Defending the statement that he had finally consented, if selected at the conservative candidate in long experience in the department to for Winnipeg. M. Macdonald added:
