CONEMAUGH

WE RELEASE THAT THEEP. WE fit to the mountain? FUP!" Thereby may the cry. The electric soul of the wire Quavared like sention fire. The soul of the woman who stood Answered to the shock Like the electron lock. For the stayed With her hand on the wire, Unafraid, Flashing the wild word down into the lower town. Is there a lower yet and another? Into the valley also and another? Into the valley also and another? Into the walley also and another? The to the mountain : Fly: The water from Conemagn the dam is wide On the nonuntain sile."

Fly for your life, oh, fly?" They said.
 She lifted her noble head : "I can stay at my post and die.

Frank may as my pose and death Dear to face with duty and death Dear is the drawing of human bre "Steady, my hand ! Hold fast To the trust upon the cast. Steady, my wire ! Go say That death is on the way. Steady, strong wire ! Go saye Grand is the power you have !"

transfer is the power you have.¹⁰ Grander the soul that can stand Behand the trembling hand. Granider the woman who dares (buy her high name work. " *This message is up last*." Shot over the wire, and passed To the listening ear of the land The montain and the strand Reverberate the cry. " *Ply for your lices*. of, fly' I stay at say post and die"

torrent took her. God know cely the savage currents fall nuttering calm. Men count

Freedy the savage currents rate To muttering calm. Men count their dead. The Jung-kry splitch overhead (gotf will we neither read) nor . Courser by one more here lass: We flow the hered and class the hand . "Teach us, alther we die to stand." East Gloneszter, Mass: The above lines are copied from the todopsudeet. They are a splitted expres-sion of a thrilling incident of the Cone-mangin diaster : that of a noble woman who persisted at her post, while sending messages of warding over the wire. On the same page is a longer poen to a berefer the wire all over in the valley orgin; the people to run to the hills, while he hiered runbed to death. el Periton knew that has iloom was nigh.
