FINE EXHIBITION OF ETCHINGS IN ST. JOHN

Work of Canadian Artists Shown At Art Club Rooms. Peel Street—Local Talent Also Exhibited.

Seldom is St. John privileged to see so many gems of artistic achievement as at the present time when a fine collection of Canadian Etchings and Lithographs is on exhibition at the Art Club Rooms on Peel street. These etchings are from a new Society, the Canadian Painters and Etchers, and the exhibit is touring Canada. There are nineteen exhibits, showing 37 pictures in Etchings, line and dry point, some colored, and lithographs.

At the same time a number of paintings by local artists are on exhibition with a number of Barbier's beautiful water colors. Among the most admired of the etchings are those of William Thomson, of Toronto, whose Canadian sketches are artistically perfect and whose treatment is very original. His picture of Detroit is a poetical conception of a city's busy street. Fred S. Haines, the secretary of the Society, sends a number of etchings distinguished for the strength of the drawing and the richness and boldness of the treatment. He has several out-of-door scenes and a fine study of a Scotch Terrier.

The "Scene in a Toronto Shipyard" of P. W. Jopping, Toronto, is a noticeable etching. Eugene Beaupre, also of Toronto, contributes a number of child studies which make a strong appeal to all who see them. They are delightful, especially the "boy reading" and "Marie".

Dorothy Stevens, Toronto, has a number of foreign views, all of which are beautiful, especially the Pontine, Cecilio, Mont St. Michel, and the Rue de l'Ange Avenue. She also shows a child study of great charm. Betty Barry, of St. John, has a number of etchings, including a "Meadow Brook", "Moonlight", and several others are very fine indeed.

W. R. Stark has good studies of birds, one striking etching of Pea hocks being slightly colored. W. A. Sutherland has several etchings which are really wood engravings. His "Mayflower" and "Girl at the Piano" are excellent examples. George Fawcett of Winnipeg, contributes a "Deserted Indian Camp," which is very fine. It is noticeable that many of the artists are overseas.

The Lithographic Drawing by Arthur Lisner, O.S.A., of the Victoria School of Art, Halifax, is a war view. The "Transport" came in for a large share of admiration. Of the local artists, A. Watson has very fine examples of both water colors and oils. "The Old Mill" and "The White Birch" are particularly beautiful. Miss A. Haskarty, a local artist, of whom St. John should be proud, has several oils, among which the "Children on the Sand" is very highly spoken of. It is a sunny picture, with a summer sky, and is characterized by brightness and clear light.

V. V. Paddock shows a number of local views, a study of the Sugar Refinery on an October evening being an excellent piece of work with remarkably good effect. Contributing are Mrs. Stas Alward, who has several Roman scenes; Miss Holt, who shows some good sea scenes; St. John; Miss Woodburn, with several water colors; Miss Clara O. McGivern, well executed water colors of sea and river views; Miss Alice Jack, sketches of St. John scenes; C. H. Flewelling, who shows a painting of the War Fund; and a sepia painting of St. John from the Courtenay Bay Breakwater. Miss Marion Jack has some of her fine color effects in foreign and local landscapes.

The paintings of Mr. Barbier are for sale, a percentage of the money going to the La Comite de Secours of the French Army in the East, of which he is secretary. This is a war charity. Among his most exquisite paintings are the one of Nurnberg, and several interiors of Moorish cathedrals. The exhibition continues all this week.

THREE POPULAR FEATURES AT THE UNIQUE

Here are three features that are bound to pack the Unique for the last half of this week, namely, "The House of Hate," "Stingaree," and the only comedian with a big reputation, "Charlie Chaplin." In "The Jazz Waiter," a very humorous side-splitter, with a barrel of laughs. You don't need to worry or worry what show you will attend tonight. You make no mistake in seeing this big program. Special matinees at 2.30; evening 7.30. Same old regular price, 5c and 10c.

To Relieve Catarrhal Deafness and Head Noises

If you have Catarrhal Deafness or are hard of hearing or have head noises, go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing becoming easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

ST. STEPHEN WEDDING

Miss Marian Carter Becomes Bride of Charles H. Polleys of Hartford, Conn.

Special to The Standard. St. Stephen, N.B., Sept. 18.—The residence of Mr. and Mrs. Frank N. Carter, was the scene of a happy event this afternoon, in which the principals were their second daughter, Marian, and Charles Horatio Polleys, of Hartford, Conn., formerly of Barling, Maine. The ceremony was at three o'clock, and was performed by Rev. W. W. Malcolm, pastor of the Presbyterian Church, in the presence of immediate relatives and friends. They were unattended. The bride, a brilliant brunette, was very charming in a dress of white crepe de chene, trimmed with Georgette crepe with a wreath of orange blossoms and carried a bouquet of sweet peas and maiden hair ferns. The wedding march was played by Miss Hazel Polleys, and the bride was given in marriage by her father. The ceremony was quiet throughout, because of the recent bereavement in the home by the death of two brothers of the bride in France. Mr. and Mrs. Polleys left by auto for a brief honeymoon, and will return to St. Stephen before leaving for their future home in Hartford.

LECTURE COURSE PLAN OUTLINED

Executive of Natural History Ladies' Association Was in Session Yesterday.

An executive meeting of the Ladies' Association of the Natural History Society was held yesterday afternoon in the society rooms on Union street. The meeting was presided over by Mrs. J. A. McAvity, in the chair. The treasurer's report showed that there was a balance of \$13.35 on hand. The plan for the paid illustrated lecture course was outlined under the general subject of "Some Cathedral Towns." The course is as follows: 1st—The East, Jerusalem, Mrs. John Seely, music, Miss Knight. 2nd—England—"To Canterbury We Will Wend," Mrs. J. M. Lawrence; music, Mrs. J. M. Barnes. 3rd—Scotland, Three Cathedrals, Miss E. B. Homer; music, Miss Louise Anderson. 4th—France, Churches, Miss Bartlett; music, Miss McKim. 5th—Italy, Milan, Mrs. J. F. Robertson; music, A. C. Robinson. 6th—America, Mission to Cathedral, Mrs. G. F. Matthews; music, Mrs. Kent Scott.

It was decided not to give the free lecture course to year classes of the room being in use for the sphennum moss sorters. For the same reason it was decided not to hold meetings of the Audubon Club. Mrs. W. H. Shaw was appointed convenor to arrange for the formation of circles among the members to grade moss. It was moved by Miss Matthew that a note of sympathy be sent to Mrs. William Fanny for the loss of her sister, Mrs. Nancy Simonds of the association. The annual meeting of the association will be held shortly.

September Canadian Boy, now on sale. A rattling big number, better than ever.

A meeting of the executive of the St. John branch of the Retail Merchants' Association, was held yesterday morning to consider the holding of a business meeting, conducted by Frank Stockdale, in this city. Those present expressed themselves as in favor of the idea, and it was decided to hold a meeting, to which all the merchants would be invited, at the Board of Trade rooms later in the week. ARMY HUT TAG DAY MOST SUCCESSFUL

Collectors Worked Hard and \$3,700.38 Counted Last Evening—Big Fair Opens Tonight.

The sum of \$3,700.38 was realized by the tag day of the local branch of the Knights of Columbus for the Army Hut appeal. Suit was made good news given out by those in charge last evening. There are several other places to be heard from still, but an even larger sum will be available for the soldiers overseas. A completed list of contributors will be published, but it is confidently hoped to reach the \$5,000 mark. The share of St. John. Gifts of \$500, \$400 and \$300 have been received, and a good reception was given the canvassers.

Mrs. David P. Chisholm, chairman of the ladies' committee, says "a most successful day. The response from all citizens has been most generous and the workers feel that their efforts have been rewarded. Twenty-two thousand tags were distributed, and even this number had to be supplemented by others to fulfill the demand."

From eight o'clock in the morning until late in the afternoon an army of workers solicited contributions and the city was canvassed thoroughly by a splendidly organized band of ladies. There were plenty of automobiles and the canvassers of this department, Dr. McDonald, did excellent work.

The suburban trains were looked after by an efficient committee and Rothsay, Westfield and Hampton did their share. Mrs. A. D. C. Wilson and Mrs. Nagle organized Rothsay and Westfield.

Mrs. W. P. Broderick was general supervisor. Mrs. D. P. Chisholm was in charge of the various committees looking after tag day proceedings.

The executive committee was composed of Mrs. Richard O'Brien, Mrs. W. E. Scully, Mrs. Frank Owens, Mrs. J. J. Hennessy, Mrs. Thomas Fox, Mrs. James H. Dooey, Mrs. J. D. Mahor, Mrs. J. McArthur, Mrs. McCormick, Mrs. L. A. Conlon, Mrs. M. Bohan, Mrs. Warren C. Winslow and Miss Elizabeth McInerney. Mrs. C. Maher, convenor; Miss Mary F. Maher, Mrs. M. Atkinson, Mrs. Edward Haney, Mrs. A. Legere, Miss Josephine McGuire, Miss Alice O'Regan and Miss Eileen O'Regan.

The captains of the taggers were Mrs. James Merrick, Mrs. Philip Grant, Mrs. J. McNeill, Mrs. Bohan, Mrs. O'Connor, Mrs. B. P. McCafferty, Miss Catherine O'Neill, Mrs. H. M. McGillivray, Miss Mary Sullivan, Mrs. M. Toole, Mrs. Wm. Keefe, Mrs. J. Mullin, and Miss E. O'Brien.

The secretaries were Miss Amelia Haley and Miss Katherine Greany. A very fine decoration is to be seen on lawn of the K. of C. grounds. This is a replica of the Santa Maria, the ship which Columbus sailed to America. This was made by David Lynch and when illuminated by electric lights is most attractive.

The fair which begins tonight will be formally opened by the Mayor. His Worship the Mayor will also be present and there will be short addresses given by Governor Pugsley, Mayor Hayes, and Dr. Broderick.

WEDDINGS

At the residence of the officiating clergyman, Rev. J. H. A. Anderson, at 4 o'clock yesterday afternoon, Mildred Hudson Blain, of Newcastle, to George Hector McQuarrie, of Moncton.

The groom, who is a returned soldier, is stationed at the present time at Fredericton, and after the ceremony the happy couple left for that city.

Chief of "Wabblers" Chews Gum and Discusses Chicago Bomb As He Enters His Cell.

Leavenworth, Kan., Sept. 18.—William D. Haywood, secretary of the Industrial Workers of the World, and ninety-two other members of the organization convicted in Chicago on charges of violating espionage laws, were received into the federal penitentiary here this afternoon.

The trip, made by special train from Chicago, was without incident and upon their arrival in the prison yard the ninety-three prisoners left the coaches, formed in line and marched into the penitentiary building. After the regular formality of being received into the custody of the warden the prisoners were assigned to cells.

Haywood Chews Gum. Haywood, chewing gum and apparently at ease, entered the prison from about the center of the long line. He declared the recent bomb explosion in Chicago was very unfortunate and inopportune and that because of the occurrence it had caused them to be hurried to the prison here, interfering with their efforts to obtain bail.

The actual "dressing in" of the prisoners will not take place until tomorrow morning. They were given temporary quarters in the east wing of the prison cell house.

When the prisoners had been assembled in the prison chapel Warden Hegan addressed them briefly, telling them that each man would receive the treatment he earned.
