

Freights.
MATRAN, June 7th.—The demand both for Europe and the United States has been moderate, and, as vessels have arrived more freely, rates are easier. The following are quoted:—Cores, Cork and Fall, month, 45s. a ton; Great Britain direct, 45s. 6d. a ton; Hamburg, Bremen and France, in the Atlantic, 47s. 6d. a ton; Mediterranean, 45s. 6d. a ton; United States per box sugar, \$8 a \$6.50; per 100 lbs. molasses, \$4.25 a \$4.50.

HAVANA, June 8th.—The market opened dull this week, and the transactions that took place were at lower rates than in the preceding, but at the close an active demand has sprung up, with an advance of 8d. 8d. a ton in the rates for Europe, though a slight decline has been established in those for the United States. The following rates are quoted:—British Channel and orders, 52s. a ton; North of Europe, 45s. a ton; France in the Atlantic, 45s. 6d. a ton; Mediterranean, 45s. 6d. a ton; United States per box sugar, \$1.40 a \$1.50; per hhd. do. \$6; per hhd. molasses \$4, to load at Havana. To load at ports: B. Channel and orders, 55s. a ton; N. of Europe, 52s. 6d. To load on North Coast: United States per box sugar, \$1.50; per hhd. do. \$6.50; per hhd. molasses, \$4.50.

CARDENAS, June 5th.—Freights have been concluded at \$6.50 per 110 galls. molasses, for a port north of Havana; and Europe, 52s. 6d.

Produce.
To-day, Mr. George Phillips, broker, had a call from an old lady who had brought forth from some secret drawer or old stocking a singular assortment of bank bills. There were bills of the Bank of N. A. of 1846 and 1853; "Frontier" (Eastport) Bank 1850; Sumner Bank of 1850; and Bank of New Brunswick notes bearing the signatures of Thos. E. Millidge, President, and B. Whitelaw, Cashier; T. E. Millidge, President, and J. D. Lewis, Cashier; J. D. Lewis, Cashier. Several of the notes looked as if they had been through mud and water, and had evidently not seen the light for 30 years. The old lady demanded gold, which was given her and which, no doubt, she will not delay to bury in some spot known only to herself and her executor.

It is highly probable that a new boat for the race at Digby next month, for Fulton will be built in time, in place of the one destroyed on the way from New York. Fulton has now three boats, all good ones, excepting a little wear and tear to which they have been subjected. Mr. Elijah Russell left for New York this morning to see Elliott, the Greenpoint boat builder, about immediately replacing the broken boat.

A young man in a sky blue suit was observed this morning curled up on an anchor at the end of the South Wharf. A truckman emptied a load of wood on close to him, as he could without covering him, but it had not the effect of waking him. It was either sun stroke or brain stroke that happened him—the latter most probably.

The description of the Coleman and its surroundings, which we publish to-day, will probably be found as interesting reading as anything on the subject that will appear in the Press.—Judging from the despatches to our morning papers, everything passed off well yesterday, the Opening Day's proceedings being pronounced much more effective than the opening of the former Jubilee—many of the St. John visitors did not reach Boston until this morning.

The following "Notes" were posted in front of the Portland Police Court this morning:—
Notice.
One Goat in Pound No. 19, found in the town of Portland, June 15th 1879.
Signed John Found Keeper.

City Police Court.
Michael McVane, 40, Ireland, for assaulting Bell Ward; fined \$10. Michael Rodgers, 22, N. B., drunk in an alley off Britain St., and kicking in Peter Brannen's window on Charlotte St.; fined \$30. Chas. Burns, 40, Ireland, drunk on Water St.; fined \$4. Terrence McLaughlin, 35, Ireland, drunk on King Square; fined \$4. Wm. O'Brien, 35, Ireland, drunk on Dock St.; fined \$5. Walter Harding, 19, England, firing a pistol on Kings Square; fined \$8. Matilda Logan, 17, N. B., drunk on Charlotte St.; fined \$8, or 3 months in Jail with hard labor. Julia Mahony, 30, N. B., running and selling on Water St.; fined \$5, or 2 months Jail with hard labor.

Michael McCarthy was fined \$6 for assaulting Councillor O'Brien. McCarthy is one of the Port Wardens and considered some statements made by O'Brien at the Council Board injurious to him; hence the assault. It seems it was a mistake all around, and in consideration of the extenuating circumstances the fine was made light.

enchant's Exchange.
