

"TALK ABOUT TOWN"

THE SUCCESS OF

JOHN HOLMES'

PORT HOPE BRANCH,

Russell's Block, north side Walton St.

A few months ago I decided to sell my goods directly to the People at FIRST WHOLESALE PRICES FOR CASH, thus SAVING to them the DEALER'S PROFIT, and to me any POSSIBILITY OF LOSS. With the success of this venture I AM WELL PLEASED. Possessing the very Best Manufacturing Facilities, and advantages in buying the raw material, coupled with my thorough knowledge of the business in all its details, I have been enabled to manufacture a class of

BOOTS & SHOES

SUPERIOR IN STYLE AND SUBSTANTIAL IN QUALITY, which have gained for themselves a reputation from one end of Canada to the other. Placing these goods at First Wholesale Prices in my own Branch Stores, the people have appreciated my move; hence the GREAT SUCCESS of the PORT HOPE BRANCH.

Everything Marked in Plain Figures—Terms Strictly Cash—Only ONE PRICE Asked or Accepted.

NO DEALER CAN COMPETE WITH ME.

JOHN HOLMES.
