

The Committee has met on the 2nd Wednesday of each month at Mrs. W. R. Dean's, the President's house, to receive Miss Latimer's monthly report of work done.

The Mothers' Meetings have been held every Friday from 2 to 4 o'clock, in the Jeffery Hale School Room, some one of the Committee presiding and giving a Bible lesson. A fair number of Mothers attend : the smallest number being 8, the largest 19. They testify to receiving help and comfort. A small number of Bibles were sold. The Hospital is visited by our Bible Woman, and many a face is seen to brighten, and many a heart cheered when she enters their ward, she reads and prays with those who will listen. We could mention many who have been brought from darkness into light through her instrumentality.

From her monthly reports we feel encouraged to go on and seek for the lost, knowing that His Word will not return unto Him void.

Our Committee has to regret the loss, by marriage, of one member, Miss Ross, who always took a warm interest in the work, and contributed once a month a tea for the Mothers. She will be much missed.
