Ottawa, April 27th, 1932.

Dear Mr. Rhodes:-

Enclosed is a copy of a letter I have just received this morning from Justice Riddell, regarding the grant to the Social Hygiene Council.

I think that before the grant is finally abandoned this letter should be taken into careful consideration and an indication of its tenor given to the Prime Minister.

Yours very truly,

Encl;

Hon. Edgar N. Rhodes, P.C., M.P.,
Minister of Finance,
Ottawa, Ont.
