Rev. Sir,-

I have to acknowledge the receipt of Dr. Hall's report on the Qu'Appelle Industrial School for the month of November, last, which you forwarded. In this connection I have to ask you to be good enough to advise the Department as to whether you carried out the doctor's recommendations in regard to isolating the pupils suffering from erysipelas and providing individual towels and basins.

In future when forwarding these reports kindly state whether the recommendations made by the doctor are being carried out.

Your obedient servant,

Asst. Deputy and Secretary.
