Dear Sir,

Your letter of the 21st inst. received enclosing
Invoices for 2 Map Racks, same being returned on account
of charge being, in your opinion, excessive.

In reply we beg to state that we have again taken
the matter up and find that the price charged is very moderate,
and consistent with this class of work.

The Racks in question are pieces that are not made
for Stock in large quantities and had to be constructed
specially for the purpose, also they had to be put up firmly
on a concrete wall which of course takes considerable time.

We trust this explanation will be entirely satis-
factory and beg to remain,

Yours truly,
WEILER BROS., LIMITED.
