

The effect on the foliage of the first application should be carefully noted, and if at all injurious the amount of copper carbonate, should be lessened to $1\frac{1}{2}$ ounces.

A REQUEST.

All persons who are interested in, and take up any of these lines of experiment are earnestly requested to forward me as soon as practicable the results of their work, together with such notes explanatory of the conditions affecting the trials, as shall aid me in forming correct conclusions in regard to the value of these remedies.
