THE PHILATELIC ALBUM

The Most Suitable Album Published for
Advanced Collectors.

Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible net work of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are too in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing rearrangement or extension into two or more volumes as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoiled, it can be at once replaced.

An album of portable size and convenient for taking to meetings of the Philatelic Society, etc. Our large blank Albums are found to be too heavy and cumbersome for such purposes, and our new book will be found a very suitable one. The size of the pages is 11 x 9". Weight, 7 lbs. 10 leaves.

It is strongly boxed in half morocco, gilt ornaments and lettering; packed in a box.

Regular price \$7.50. \$5.50 special price for this month only.
