

CURED OF SCIATICA.

THE EXPERIENCE OF A BRUCE
CO. FARMER.

Suffered so severely that he became almost a helpless cripple—Is Again Able to be About His Work as Well as Ever.

From the Walkerton Telescope.

During the past few years the Telescope has published many statements giving the particulars of cures from the use of Dr. Williams' Pink Pills. They were all so well authenticated as to leave no doubt as to their complete truthfulness, but had any doubt remained its last vestige would have been removed by a cure which has recently come under our personal observation. It is the case of Mr. John Allen, a prominent young farmer of the township of Greenock. Mr. Allen is so well known in Walkerton and the vicinity adjoining it that a brief account of his really remarkable recovery from what seemed an incurable disease will be of interest to our readers. During the early part of the summer of 1895, while working in the bush, Mr. Allen was

seized with what appeared to him to be rheumatic pains in the back and shoulders. At first he regarded it as but a passing attack, and thought that it would disappear in a day or two. On the contrary, however, he daily continued to grow worse, and it was not long before he had to give up work altogether. From the back the pains shifted to his right leg and hip where they finally settled, and so completely helpless did he become that he was unable to do more than walk across the room and then only with the aid of crutches. Of course he consulted the doctors, but none of them seemed able to do him any good. People in speaking of his case always spoke pityingly, it being generally thought that he had passed from the world of activity, and that he was doomed to live and die a cripple. We are free to confess that this was our own view of the matter, and our surprise, therefore, can be readily imagined when some few weeks ago we saw this self-same John Allen driving through the town on the top of a large load of grain. Great, however, as was our surprise at first, it became still greater when on arriving at the grist mill he proceeded to jump nimbly from the load, and then with the greatest apparent ease began to unload the heavy bags of grain. Curious to know what it was that had brought this wonderful change, we took the first convenient opportunity to ask him. "Well," said he in reply, "I am as well a man as I ever was, and I attribute my cure to Dr. Williams' Pink Pills, and to nothing else." Mr. Allen then gave us, in a very frank manner, the whole story of his sickness, and his cure, the chief points of which we have set forth above. After consulting two physicians and finding no relief, he settled down to the conviction that his case was a hopeless one. He lost confidence in medicines, and when it was suggested that he should give Pink Pills a trial, he at first absolutely refused. However, his friends persisted and finally he agreed to give them a trial. The effect was beyond his most sanguine expectations, as the Pink Pills have driven away every trace of his pains and he is able to go about his work as usual. As might be expected Mr. Allen is loud in his praise of Pink Pills, and was quite willing that the facts of his case should be given publicly, hoping that it might catch the eye of someone who was similarly afflicted.

Dr. Williams' Pink Pills act directly upon the blood and nerves, building them anew and thus driving disease from the system. There is no trouble due to either of these cases when Pink Pills will not cure, and in hundreds of cases they have restored patients to health after all other remedies had failed. Ask for Dr. Williams' Pink Pills and take nothing else. The genuine are always enclosed in boxes the wrapper around which bears the full trade mark "Dr. Williams' Pink Pills for

Pale People." May be had from all dealers or sent post paid on receipt of 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

AIMS, OBJECTS AND BENEFITS OF THE SONS OF ENGLAND BENEFIT SOCIETY.

Organized in Toronto, December 12th, 1874.
To Englishmen and Sons of Englishmen:

The mission of the Society is to bring into organized union all true and worthy Englishmen; to maintain their national institutions and liberties and the integrity of the British Empire; to foster and keep alive the loving memory of Old England, our native and Mother land; to elevate the lives of its members in the practice of mutual aid and true charity—caring for each other in sickness and adversity and following a deceased brother with fraternal care and sympathies, when death comes, to earth's resting place.

Great Financial Benefits, viz.: Sick pay, Doctor's attendance and medicine and Funeral Allowance are accorded. Healthy men between the ages of 18 and 60 years are received into membership. Honorary members are also admitted. Roman Catholic Englishmen are not eligible.

Reverence for and adhesion to the teachings of the Holy Bible is insisted on.

Party politics are not allowed to be discussed in the lodge room.

The Society is secret in its proceedings to enable members to protect each other and prevent imposition—for which purpose an initiation Ritual is provided, imposing obligations of fidelity to the principles of the Society on all who join it.

The Society is making rapid growth and has lodges extending over Canada from the Atlantic to the Pacific shores, having a membership upwards of 13,000 at present, the ratio of increase being far greater as the Society's influence and usefulness is better known. Lodges have been started South Africa and will soon probably be started in England, etc.

The Beneficiary (Insurance) Department is providing insurance to the members for \$1,000 or \$2,000 as desired, at the minimum cost, unsurpassed by any other fraternal Society in Canada, and is conducted on the assessment system. The assessments are graded. A total disability allowance is also covered by the certificates in class "A." There are no disability claims in class "B." No Englishmen need join other organizations when the inducements of this Department are considered.

Englishmen forming and composing new lodges derive exceptional advantages in the initiation fees, and 12 good men can start a lodge.

In our lodge rooms social distinctions are laid aside and we meet on the common level of national brotherhood, in patriotic association for united counsel and effort in maintaining the great principles of our beloved Society. As such we can appeal to the sympathetic support of all true Englishmen—asking them to cast in their lot with us, thereby swelling the grand roll of those bound together in fraternal sympathies and in devotion to England and the grand cause of British freedom.

Any further information will be cheerfully given by the undersigned.
