## MAGNET Separator?

It will pay you to do so because its frame is strong and rigid fitted with square or Common Sense gears, which are the only gears that should be used in a fast-running machine.

The large steel flow! has a skimmer in one piece (easily cleaned, less than five minutes to clean the whole machine affereach or the steel of the st

It is the only Cream Sevarator with a double support to THE BOWL which prevents wobbling, therefore keeps the bowl in balance, preventing wear.

Do you want a safe machine? The MAGNET has all parts covered.

Do you consider quality when you buy? The MAGNET'S record for nine years is no wear and no cost for repairs.

We claim superfority over other Cream Separators on these points and ask you to examine every part and you will agree with us every other Cream Separator, and that its every part is made as perfect as the finest machinery operated by skillin mechanics using the best quality of material, can make
