In a mutual life company every policyholder has a voice in its administration.

Keep track of it

How many bushel of oats did you "take off" in 1917? What did potatoes net you last year? What did it cost you to thresh that field of grain, and how were the different charges distributed? Wouldn't these facts be mighty valuable next year, or a couple of years hence; wouldn't they afford interesting comparisons, and probably give you a good basis for judging future prices?

To jot these facts down in simple record form, ready for instant reference anytime, would take but a few minutes of your time at the end of the day. And the profit they'd yield in giving you definite information on which to base future conclusions would well repay the little effort.

Beides proper Card Record Cabinets and Cards to make these records safe and permanent we are always glad to make suggestions and render what service we can in developing a record-keeping system to suit your needs.
