**REGISTERED Southdown Sheep, Suffolk Sheep AND Berkshire Pigs.**

THE Cheveley flocks and herds, the property of Col. H. B. McCalmont, M.P., are unique for the purity of their blood, typical character, and individual merit. In their foundation, etc., no expense has been spared in securing the best and most perfect specimens of the different breeds. In each case full records are kept of individual pedigrees, so that any selections made from these flocks will, in addition to being of the highest merit and typical character, have also the greatest advantage of individual pedigrees.

The Southdowns have secured the highest show-land honors during 1900, including first prizes at the leading summer and winter shows. The Suffolks are equally well bred, and numerous prizes have also been won. In fact, for individual merit, pedigree, and purity of blood, it would be difficult to find better and more suitable flocks of either of these breeds from which to perpetuate their high individual merits.
