

Whether You Buy or Hire a Threshing Outfit, See to It That It is a S. & M.

The Peerless is a cleaner, Boys;
It also saves the grain,
And though it makes but little
noise,
It hustles just the same.

S. & M. Improved "PEERLESS" with S. & M. Wind Stackers and Woods Bros.' Self-Feeder.

Evolution has made Labor-Saving Machines a matter of necessity to the Farmer and Thresherman. The S. & M. Peerless (improved) with above Feeder and Stackers, and with 17 to 25 H.-P. engine, leaves nothing to be desired. The best is always cheapest.
