

It Is Miserable To Be Dyspeptic.

Dyspepsia is one of the most prevalent troubles of civilized life, and thousands suffer untold agony after every meal.

Nearly everything that enters a weak dyspeptic stomach, acts as an irritant; hence the great difficulty of effecting a cure.

The long train of distressing symptoms, which render life a burden to the victim of dyspepsia, may be promptly relieved by the use of Burdock Blood Bitters.

Mrs. John Sherrett, Fortier, Man., writes:—"I was troubled with dyspepsia for years. A friend of mine told me about Burdock Blood Bitters, so I got a bottle to try, and before I was half finished I could eat anything without suffering, and when I had used two bottles I was sound and well. Now I feel just fine; indeed I can't say too much in favor of your medicine."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

"And what," asked a visitor to the North Dakota State Fair, "do you call that kind of cucumber?"

"That," replied a Fargo politician, "is the insurgent cucumber. It doesn't always agree with a party."

GOSSIP.

At the Aberdeen joint sale of Scotch-bred cattle, last month, a yearling Augusta heifer, contributed by R. Anderson, sold for 300 guineas; a heifer calf from the same family, from the herd of R. Bruce, brought 350 guineas; a heifer belonging to A. Morrison sold for 200 guineas; and a bull calf, from the herd of the Duke of Richmond, named Fine Morning, brought 120 guineas.

James Bowman, Elm Park Farm, Guelph, Ont., makes a change in his advertisement of his noted prize-winning herd of Aberdeen-Angus cattle, which has made such a splendid record for several years past at leading shows in Canada, East and West. He has for sale both females and bulls; also Clydesdale mares and Suffolk sheep, which will be priced reasonably before going into winter quarters.

DALGETY BROS.' 1910 IMPORTATION.

One of the strongest importations of Clydesdales landed in Canada this year was recently made by Dalgety Bros., of London, Ont., and Dundee, Scotland. The unique position of this firm residentially, part residing in Canada and part residing in Scotland, places them in a position most favorable to handle only the best obtainable in Scotland. Being continually on the ground, they certainly have the first chance to buy anything of exceptional merit that is offered for sale, and the many importations made by them in the sixteen years they have been importing Clydesdales to Canada have invariably been of high-class quality and genuine draft character. This last importation consists of five stallions and two mares. The stallions are an extra big lot, of ideal draft character, and with a grand quality of underpinning, horses that have been tried and made good, and that have won their honors in strong company in the land of their birth.

Hiawatha Pride 11710 is a bay four-year-old, by the renowned champion, Hiawatha, dam by the famous Baron's Pride. This horse is up to a ton in weight, powerfully and evenly muscled, with draft character all over, and on a faultless quality bottom, one of the best horses imported this year, with breeding unexcelled. Dan Leno 11552 is a brown six-year-old, by the great breeding horse, Hillhead Chief, dam by Sir Archie, granddam by Pandora's Prince, by Prince of Wales. This horse has won many prizes in Scotland, including first and championship at Cornhill. He is one of the big, rangy, stylish horses, with splendid quality of underpinning, a horse that will surely prove popular in this country. He was a most successful sire in Scotland. Dalziel 10626 is a gray seven-year-old, by the great sire of winners, Pearl Oyster, dam by the Cawdor Cup champion, Prince Alexander, granddam by Darnley, thus combining the famous blood of Prince of Wales and Darnley. He has many winnings to his credit, including fourth at the Royal this year, in a strong class. He is a horse of great draft character, thick and smooth, and a proven sire of a high order. Strathearn Style 10016 is a black four-year-old, by the great Baronson, the sire of the champion Oyama, dam the noted champion mare, Minnie Gartly, she by the champion Royal Gartly. This is one of the thick, smooth, quality horses so popular in Canada, a horse that will do good in any section, and one tried and proven right, with many winnings in Scotland to his credit. Uniformity 11711 is a brown two-year-old, by Baron Rollo of Dunning, a grandson of Baron's Pride, dam by Macene, a grandson of Magregor, granddam by the £3,000 Prince of Albion. This is a superb colt, with size, character, smoothness and quality, and stands on a faultless bottom. Fairfield Queen 23793 is a black four-year-old mare of superior mould and quality, a right good one, and safe in foal, sired by Balmshie Queen's Guard, dam by Fortune Still, thus combining the blood of Prince of Wales and Darnley. Tib of Hatton 23792 is a bay two-year-old filly that, when developed, will reach a ton in weight, immensely big, and full of draft character, sired by Prince Champion, by Hiawatha, dam by Sparrow Hawk, by Lord Stewart. She has five registered dams. All these are for sale, at right prices.
