What the Loan Means .....	9	Municipalities Subscribe to Loan .....	12
Some of the Loan Subscriptions .....	8	Loan and Mortgage Companies' Subscriptions ....	12

#### Western Crops

Estimate of the Northwest Grain Dealers' Association figures 167,432,000 bushels of wheat, Page 26.  
Estimate of W. E. Milner, of Winnipeg grain exchange, Page 28. Our grains are worth \$455,000,000 this year, estimates the Canadian Bank of Commerce, **Page 24**

#### The Week's Topics

Canadian politics, as reflected by British Columbia election, Page 9. Need for economy, Page 10. Continued adventures of the Western seen grain lien, Page 10. The success of the war loan, Page 9. Canada's loan requirements, Page 9. Is blacklist coming here? **Page 10**

#### Fire Insurance

Mr. John B. Laidlaw gives some good counsel on fire prevention. Municipal securities sell at better price if fire record is good, Page 37. Action against foreign inter-insurers, Page 28. The weekly register of fire losses, **Page 12**

#### Industry

New Canadian Pacific dock at Vancouver, Page 18. As to the principle behind Great Britain's blacklist, Page 43. Shipbuilding on the Pacific Coast, Page 20. Ontario power situation is critically discussed in London, Page 22. Hydro-Electric Commission report, **Page 18**

#### Trade & Commerce

National business conference will be held here soon to discuss the financial and commercial preparations for peace time, Page 28. Tariffs and transportation were discussed in London by Canadian trade commissioners, Page 20. How Persian lamb fur is grown here, **Page 26**

#### Policy Loans

Table showing experience of British companies indicates that policy loans generally do not constitute an excessive ratio to life and annuity funds. War has not brought general demand for financial accommodation, **Page 30**

WEEKLY STATISTICAL RECORD—Pages 36, 38, 40, 42, 44.
