

THE HOME BANK

GENERAL OUTLOOK FOR THE BANK IS GOOD

According to prominent officers of the Home Bank, the outlook for the Home Bank of Canada is of the best. It was particularly emphasized at the annual meeting that the Home Bank had during the past several years made uniform and substantial progress, well in keeping with other big Canadian banking institutions of a similar corporate age.

Discussing the dividend, Mr. Daly referred to the fact that an increase had been made from 5 to 6 per cent. during the past year; and said that there was good hope that the stock would be put back on the old basis of 7 per cent. per annum during the current year.

Mr. Daly dealt at some length with the exchange situation. He said in part: "The standing of exchange is, however, a matter which must still be viewed with some concern, as it is having an effect upon our foreign trade. It presents a problem involving so many factors that no one nation has been able to approach a solution. Measures for relief must be of almost universal application, and the introduction of such measures requires a concerted movement towards adjustment between the nations that, under normal conditions, carried on an active and profitable trade between each other."

The effect of the new Budget taxation upon business was also discussed and also the labor problem. In concluding his remarks President Daly struck a hopeful note. He spoke as follows: "On the whole we may felicitate ourselves that as a Nation Canada stands in an exceptionally favorable position. We have a vast extent of territory, much of it practically unexplored while large areas that are thinly populated are readily accessible by rail communication. We have all the facilities for settling desirable immigration and wherever new sections have been opened unexpected natural resources have been uncovered. With our heritage of undeveloped resources and active, healthy minded people intent upon the solution of economic difficulties, we should assume a position of leadership in the industrial world. We have no serious handicap to retard our development. When we become united to increase production and the practice of the more simple forms of economy, our progress toward national wealth is assured."

NEW BOOKS

"NOW IT CAN BE TOLD"

"Now It Can Be Told" is the title of Philip Gibbs' latest book. While there are many disclosures in this book that have been withheld because of the censorship, this is not the phase of the book upon which the famous War correspondent lays the greatest emphasis. In "Now It Can Be Told" Mr. Gibbs attempts to single the permanent human values out of the confusion of the last few years of world history so as to make the things of lasting idealistic significance stand out against the shifting background. Mr. Gibbs is the foremost of the English War correspondents who followed the War intimately on the Western front. - The Spokan Review.

THE GRAND, London ENTIRE WEEK JULY 5th. TWICE DAILY H. PORTER BALDWIN Presents The Sensation of the Year Henry B. Walthall The Wonderplay of Walthall's Career The Little Colonel of "The Birth of a Nation" - IN - Marvelous "The Confession" Vivid in its Conception Thrilling Stupendous From the Famous Stage Play "To Serve the Cross" BY HAL REID PHOTOGRAMS come and Photodramas go, but few of them live longer in your memory than a fleeting vision. Of all the great screen dramas of the day, none surpasses in story, direction, action, scenes and extraordinary dramatic strength this supreme drama, "The Confession", a massive seven reel production from the famous stage play "To Serve the Cross", by that virile writer, Hal Reid. It's a play you can see twice, yes, three times, and be impressed by its hugeness more and more. The story itself bares the instinct of the human; lift up to nature the mirror that reflects every trait of love, passion and romance, filled with tremendous suspense and tensest action. Both the play and picture has been recommended to the world by Cardinals Mercier, Gibbons and O'Connell, and to Canada especially by Father O'Rourke, of the Archbishop's Palace, the Knights of Columbus and the majority of the Priesthood.
