

## LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the City Yards since last Friday, as reported by the railways, were 72 carloads, composed of 893 cattle, 782 hogs, 1630 sheep and 90 calves.

There were few good cattle, and more of the poorer grades, according to numbers offered, than any market thus far.

Trade was slow, with the general range of prices lower than at any previous market.

The heavy deliveries of a week ago, when many of the dealers bought large supplies, caused a light demand.

Exporters—None were offered with the exception of a few bulls, which sold at \$3.25 to \$3.75 per cwt.

Butchers—The highest price paid was about \$4.25, and there were few sold at over \$4 per cwt. George Rowntree bought seven loads for the Harris Abattoir Company—steers and heifers at \$3.65 to \$4.10; cows at \$2.40 to \$3.50 per cwt.; canners at \$1 to \$2 per cwt., and some hides, horns and hoofs, with the carcass thrown in, at 75c per cwt.

Feeders and Stockers—There was a scarcity of good quality feeders, but inferior, common stockers were plentiful, considering the receipts. Prices ranged as follows: Good quality feeders for short-keep purposes, weighing 1100 lbs., sold up to \$4 per cwt.; feeders, 900 to 1000 lbs., sold at \$3.20 to \$3.50; 700 to 800 lbs., \$2 to \$2.70; stockers, 500 to 700 lbs., \$1.50 to \$2.

Milk cows—Receipts light; trade slow with the exception of a few of the best. Prices ranged at from \$25 to \$45 each, and one at \$53.

Veal Calves—Prices were unchanged at \$3 to \$6.50 per cwt.

Sheep and Lambs—Export ewes sold at \$4.25 to \$4.40; lambs, \$4.25 to \$5.50 per cwt.

Hogs—Prices have advanced. Mr. Harris quoted selects at \$6.25 per cwt.; unfinished at \$5 to \$5.25, of which there have been far too many coming on the market.

L. H. Edmunds of Blenheim was robbed of \$250 by pickpockets while returning from the Dresden Fair.

A woman and two children were killed near Amherst, Ohio, by being caught in the cattle-guards on the railroad.

Warton butchers are now selling steaks and roasts at 10c a lb. on account of the low price of cattle.

The temperance people of the township of Brant met in the Presbyterian church, Malton, on Tuesday of last week. After considerable discussion it was decided to at once enter upon a vigorous campaign for local option. There are four licenses in the township, located in Elmwood, Eden Grove, Cargill and Duddeld. In Elmwood the proposition is not looked upon with much favor even by the temperance people, because in the event of the by-law coming into force only one license would be cut off. Part of the village is in another municipality and one of the hotels is located there.

A special prize offered by the Shelburne Economist at the county Fair for the biggest pumpkin pie was won by a bachelor. It was 21½ inches in diameter and first class, having in its makeup 18 eggs.

Copies of the new game laws of Ontario, which came into force June 5th, 1907, have been received in town, and according to new regulations squirrels, black and grey, may only be killed from Nov. 1st to Dec. 1st.

The bridesmaids were Misses Maggie Eickmeier and Annie Stadel, while Messrs. Fred, Liefso and Henry Froom supported the groom. The ceremony was performed by Rev. Mr. Neudorffer.

## MAKE IT YOURSELF.

There is so much rheumatism here in our neighborhood now the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy the following: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take a teaspoonful after each meal and at bedtime.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffer from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

## TWO OLD TIME LOVE LETTERS.

In an old book, dated 1820, there is the following curious love epistle. It affords an admirable play upon words:

Madame, Most worthy of admiration. After long consideration and much meditation on the great reputation you possess in the nation, I have a strong inclination to become your relation. On your approbation of the declaration, I shall make preparation to remove my situation to a more convenient station, to profess my admiration; and if such oblation is worthy of observation, it will be an aggrandizement beyond all calculation of the joy and exultation of yours, "Sans Dissimulation."

The following is the still more curious answer.

Sir, I perused your oration with much deliberation at the great infatuation of your imagination to show such veneration on so slight a foundation. But after examination and much serious contemplation, I supposed your animation was the fruit of recreation, or had sprung from ostentation to display your education by an odd enumeration, or rather multiplication, of words of the same termination, though of great variation in their respective signification. Now, without dispute, your laborious application in so tedious an occupation deserves commendation, and thinking imitation a sufficient gratification, I am, without hesitation, yours, "Mary Moderation."

Should she sleep two or three hours longer than usual there will be a fire ready for her.

The fire-box, flues and dampers are so scientifically arranged that the Pandora can be

## Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local.

Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucus membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all perverted tissue, and the removal of all morbid elements. The "Night Cure" as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative comes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use the Night Cure.
